Your Summer Camp

MIDDLESEX

English Path wants you to have a great time this summer. You will learn English in class, enjoy fun activities with new friends, and explore the local area and different places in the UK.

Our aim is to help you improve your English and learn more about life in the UK. You will have a busy schedule with lessons, activities, and trips. We hope you will feel more confident using English every day. At the end of each week, you will give a short presentation in class to show what you have learned whilst in the UK.

In this handbook, you will find information about:

-  Places you might see
-  What you will study
-  School rules and procedures
-  How to give us feedback
-  Useful advice
-  Tips to help you improve your English

Please read this handbook carefully. There is also a sample timetable so you can see what your days will look like (lessons, activities, meals, etc.). You will get your real timetable on your first day of classes. You will have an induction to give you all information needed for your stay with us.

You will have a small quiz in class to check that you understand the important information. If you have any questions or problems, talk to us anytime.

We hope you have a wonderful time with English Path in the UK.

From iconic landmarks and royal heritage to world-class museums, theatres, and exciting places to go out, the city offers something for everyone. Its rich history and dynamic energy make it a one-of-a-kind destination, attracting visitors from all corners of the world.

What to Expect

✓ WELFARE (YOUR SAFETY AND WELLBEING)

Your safety is our top priority. We have a 24-hour security team on campus. All staff are trained to look after you and follow British Council safety rules. Our centres are safe and well supervised.

💡 LEARNING

In class, you will practise all your English skills, especially speaking. You will also learn about British life and culture so you can understand the UK better. We also celebrate and encourage our students to share their cultures so they can develop their intercultural communication skills and knowledge every day.

Most lessons have a topic connected to London or the UK, and you will learn English for real everyday situations, which you can use immediately on your daily activity programme. You will also take part in collaborative group work where you will learn about each other, improve your skills and language as well as showcasing what you have learnt. We will support you to develop the skills you need to be better able to learn English by yourself and achieve your future goals beyond your course.

English is the only language used at camp and we encourage you to speak it at all time.

★ FUN

Learning English is not only about lessons. You will also join activities with our trained Activity Leaders. These activities help you practise English in a fun way with other students. You can enjoy talent shows, quizzes, karaoke, treasure hunts, and other exciting events.

🔍 EXPLORE THE UK

You will visit famous places with our Activity Leaders. You might see historic cities, important landmarks, or even spend a day at the beach. These trips help you use English in real life while discovering the UK.

The Journey

BEFORE YOU LEAVE HOME

You will complete an online placement test. This is very important as it is used to decide which class to put you in. Please don't cheat! You will have the best time if you are in class with students who have a similar level of English as you.

Travelling abroad is exciting, and there are a few things to prepare before you go. Here is some helpful information for your trip. Check how much luggage your airline allows. Different airlines and destinations have different rules about weight, size, and number of bags. Most airlines let you check in one big suitcase and take one small bag as hand luggage.

Hand luggage should include:

- **Your passport and a photocopy**
- **Travel documents**
- **Money**
- **Any medicine you need (with prescriptions)**
- **This student guide**
- **Phone and charger**
- **Spare clothes and toiletries (including a toothbrush)**
- **Personal items you want to bring**

Remember: Liquids in hand luggage must be 100ml or less.

ARRIVING IN THE UK

Before you leave the plane, make sure you take all your belongings. After passport control and collecting your suitcase, you will be taken to a coach that will drive you to your centre. The coach usually does not stop on the way, so use the toilet or buy snacks before leaving the airport. The journey may take 1 to 2 hours, depending on where you are landing.

ARRIVING AT THE CENTRE

When you arrive, our EP staff will give you a warm welcome. You will receive a lanyard with your ID card and the English Path 24-hour emergency number. Please wear this at all times.

You will be shown to your room and given a key. Then you will have a short tour so you know where everything is: dining hall, classrooms, laundry, and activity areas.

Most rooms are in shared flats with students from your group or other groups - a great way to make new friends. Boys and girls stay in separate areas. There are common rooms or kitchens for relaxing, but cooking is not allowed.

To make your stay comfortable:

- **Respect bedtimes and keep quiet after lights out**
- **Keep your room clean and tidy**
- **Follow the accommodation's rules**

The Journey

MIDDLESEX

YOUR FIRST DAY

On your first day, you will be placed in classes by levels depending on your placement test results. You will also receive your final programme showing your lesson times and activities. You will also learn about the fire safety procedures at the school and your accommodation.

WELCOME MEETING AND INDUCTION

Shortly after your arrival, you will meet the Centre Manager and the EP team. They will introduce themselves, explain their jobs, and tell you about the centre rules, health and safety, first aid, and safeguarding.

YOUR STUDY COURSE

On your second day, you will find out your class and meet your classmates and teachers. You will study about 15 hours per week, either in the morning or the afternoon (afternoon classes only happen when a zig zag programme is running - you will be told if this is the case). Each day you will have two 90-minute lessons with a 20-minute break. You will have two teachers.

ZIG-ZAG PROGRAMME

Depending on how busy the camp is, you will either have all your lessons in the morning and activities/excursions in the afternoon or you may be on a zig-zag programme.

If you are told you are on a zig-zag programme then all students are divided into two groups: **Group A and Group B**. One group has lessons in the morning and activities in the afternoon, and the other group does the opposite. The groups switch each week.

EARLY COURSE FEEDBACK

On your third day of lessons, we will ask you to complete a short feedback form during your lesson. We want to make your stay as enjoyable as possible.

END OF COURSE FEEDBACK

On your last day of lessons, you will complete a final feedback form to help us improve our programmes.

DISCOVER LONDON

Your programme will include trips into the city using public transport. You will have access to a ticket or travel card - keep it safe, or you will need to pay for a replacement.

You will probably use the underground train, called "the Tube".

There is a warning system in place and depending on how serious the offense is, privileges may be removed or you might be sent home at your parents' expense.

Giving a Presentation

At EP, every student gives a presentation. This is your chance to show what you have learned during your time at the EP camp.

-  Culture sharing
-  Inventions

CAN I USE PICTURES OR VIDEOS FROM MY TRIPS?

Yes, please do! Using photos or videos from your excursions is a great idea. Think about the places you visited and include anything interesting in your presentation. You can also use your Student Workbook to make notes for your presentations. At the end of the workbook, you will find useful language to help you present.

Keep Learning English after your Course

Learning English takes time, but small daily habits can help you improve quickly and enjoy the process.

USE A GOOD ENGLISH-ONLY DICTIONARY

A monolingual dictionary (English → English) helps you learn meanings, pronunciation, grammar, and example sentences. Ask your teacher which one they recommend.

Online dictionary: <https://dictionary.cambridge.org/>

GET A GOOD GRAMMAR BOOK

A grammar book with exercises and answers helps you study at home and focus on the areas you find difficult. Your teacher can help you choose a good one.

ORGANISE YOUR NOTES

Keep your work tidy by making sections for: _____

Vocabulary

Grammar

Speaking

Pronunciation

Reading

Writing

Listening

A small vocabulary notebook is also very useful.

REVIEW YOUR LESSONS EVERY DAY

Reviewing something 24 hours after learning it helps you remember it for longer. Even 20 minutes a day makes a big difference.

LEARN FROM YOUR CLASSMATES

Everyone learns differently. Ask your classmates:

How they remember grammar

How they learn new words

How they practise speaking

Try their ideas and keep the ones that work best for you.

Organise vocabulary by topic or alphabetically, and include:

Meaning

Spelling

Part of speech

Pronunciation

Use colours or pictures to help you remember.

Ideas for Learning New Words

- 💡 Use a monolingual dictionary to learn meanings, pronunciation, grammar, and common word combinations.
- 💡 Keep vocabulary notes organised.
- 💡 Use colours and pictures.
- 💡 Review often — little and often is the best way.
