Skills classes

English Path offers three skills courses that let you develop your language for social, academic, and career contexts. They are an optional extra hour added to your General English lessons, included in Semi-Intensive or super-intensive, and are one of the best ways to get more from your time with EP. At A1-B1, everyone taking the extra Skills hour joins Communication Workshop, practical speaking, everyday vocabulary, and the confidence to manage daily life. At B1+ to C1, you choose your direction: Academic Skills covers English for Academic Purposes, critical thinking and exam preparation, including IELTS, for students heading to university. Career Skills covers business English, professional communication and employability, for students building their career. Both paths run at every EP campus, year-round.

Your skill options are based on your language level:

A1 - B1	B1+ – C1	
Communication Workshop Practical speaking, vocabulary and confidence for daily life.	Academic Skills Everything you need to prepare for university or academic English tests.	Career Skills Boost your employability and business English skills.

Teaching methodology

 - Purposeful use of technology: digital coursebooks and presentation materials support your learning.

Before you leave your country

Here are some important things you need to know to make your arrival as smooth as possible: use our checklist to ensure you don't forget anything and are prepared for the exciting times ahead.

Pocket money

Recommend weekly budget: 250€. This should cover expenses, laundry, local travel and activities. You will need additional money if you want to take weekend trips. Bring 100€ with you in cash and a debit or credit card. You will need to check with your financial institution to make sure you will be able to withdraw money from a French ATM. Do not bring foreign currency. It is not wise to carry around large amounts of cash.

Clothing

Most students dress casually for classes, but you should bring nice clothes for going out and sportswear for sports and outdoor activities. The climate is changeable and maybe different from your own. The typical temperature is 20-35°C in the summer and 0-10°C in the winter, although it can drop below freezing. Bring waterproof clothing if you're arriving in the autumn or winter.

Electrical current

Standard voltage in France is 220 volts; remember to bring an adapter with you or buy one when you arrive.

School notifications

We encourage you to follow the school’s Instagram account before you arrive and especially during your stay. This will give you an idea of what is happening at the school and help you connect with staff and students. This is also where we will post notification of any unexpected school closures: it is important you check our Instagram account for any messages while you are attending the school, especially if there is severe weather in the area (e.g. snowstorm, flood, etc.). If the school cannot open or school opening will be delayed, we will post a message as soon as possible (the night before or in the morning) to advise you of this, along with information on how to get further updates and any alternate scheduling (if applicable).

When you arrive in Paris

Arriving at the airport in a foreign country can be overwhelming. To better prepare yourself, make sure that you have read the information below about your arrival and how to get to your accommodation. If you get lost or confused upon arrival, don't be afraid to ask the airport staff for help as they will be happy to give assistance.

EP Transfers

Students should arrive at Roissy Charles de Gaulle / Orly Airport. We request that you book your flights according to the starting date of your specific programme. You must arrive on the Saturday or Sunday prior to your course start date. If you have booked a transfer service, a driver will meet you outside the customs area and drive you to your homestay or residence. Please ensure you arrange and pay the transfer fee in advance.

Transfer service emergency contact details

If you have any flight changes, miss a connecting flight or need help meeting the transfer service, you should call school's emergency number. Please be prepared to tell them your name, school name (English Path) and location. Students should only accept a transfer from a greeter with their name on a sign.
