

Visa Guide for Long-Term Students

MALTA

WHO NEEDS A VISA?

STUDYING 1 TO 12 WEEKS

If you do not require a visa to come to Malta:

You can book a course for up to 12 weeks and travel in the Schengen Area under the 90-day exemption and will be eligible to apply for an extension if you decide to extend your course.

Extension: Only if you are a genuine student and have an attendance of at least 85%. (It is not possible to come to Malta for tourism purposes, book a course 2 weeks before the 90 days expire, and apply for a student visa.)

If you require a visa to come to Malta:

You can book up to 12 weeks as a tourist through admissions. You need to get the visa letter and apply for a Schengen Short-Stay Visa (C-Visa).

STUDYING 15 WEEKS OR MORE (EXCLUDING HOLIDAY)

If you plan to study for 15 weeks or more*, you need to apply for a Long-stay Visa (D) via VFS.GLOBAL before you travel.

If you wish to continue to stay in Malta and you are from a country that typically grants a 90-day visa exemption and your current Long-stay Visa (D) is about to expire, you must leave the Schengen Area on or before the expiry date of your Long-stay Visa (D). You can then return to Malta to activate your 90-day visa exemption period.

**Please inform us of any holiday requests at the time of booking, as holiday periods are included in the visa. If you book a course of 24 weeks or more, you are entitled to a 4-week holiday (including the Christmas break). Students booking 27 weeks or more (including holidays) will not be required to show a return flight ticket when applying for the visa. So, it is important to let the EP Admissions team know about your holiday arrangements.*

Advantages of this procedure

- You are less likely to be stopped at border control or questioned why you are coming to Malta (the school is often getting calls to confirm if students are studying at EP Malta).
- You can travel in Schengen Area from your first day.
- The visa is multiple entry, which means, you can travel to countries out of the Schengen Area as Serbia or Turkey and come back to Malta.
- Accommodation booking is required for a minimum of 14 nights/15 days.
- You can apply for your student visa up to 6 months prior to the course start date.
- If you are from a visa-exempt country, you can utilise the 90-day visa exemption after completing the course.

HOW TO APPLY FOR THE VISA?

To check the location of VFS centres for applying for a visa, please visit:

<https://identita.gov.mt/central-visa-unit-services-extended-service/>

If there is no VFS Centre currently in your country processing applications for Malta, you may travel with your 90-day exemption and apply for an extension in Malta.

If you would like to book the appointment yourself or through your agency,

Please inform the school at the time of booking. Additionally, let us know if you would like to include the visa document check service (€50) with EP.

Once the appointment is booked, kindly share the appointment confirmation with EP as soon as possible. This is necessary for us to provide a report to Identita Malta for students who have arranged their own appointments. **Failure to do so may result in the refusal of your visa application.**

Please note the following payment requirements for obtaining booking confirmation, visa letter, and student receipt to support your visa application:

- Total enrolment balance of €2500 or less → full payment required.
- Total enrolment balance above €2500 → at least 50% of the total enrolment balance required.**

***Payment requirements are based on the total amount due for the enrolment (not only tuition fees)*

If you have requested the visa document check service, ensure that all necessary documents are submitted to the EP Admissions Team at least two weeks before your appointment. This will allow sufficient time to receive feedback.

If you would like EP to book the appointment on your behalf, please note the following:

EP will add the applicable appointment fee based on your request, plus a visa document check fee of €50. The appointment fees are as follows:

- Standard Service (VFS) fee of €100: Appointments can be booked after 21 days.
- Extended Service (VFS) fee of €160: Appointments can be booked from the same day.

The EP Admissions team will guide you through the process. Please refer to the checklist on pages 4 and 5, and the step-by-step process on pages 6 and 7 of this visa guide for further details.

If you do not live near the VFS Centre listed on the Identita Malta website, please be sure to inform EP accordingly before we arrange the appointment so that it can be booked with enough notice.

Please be aware that no matter which option is chosen, the average visa processing time after the appointment has been attended is 8-10 weeks, but it could be longer. Applications must also only be submitted at least 9 weeks before the course start date
