Your Summer Camp

PARIS

EP wants you to have a great time this summer. You will learn English/French in class, enjoy fun activities with new friends, and explore the local area and different places in Paris.

Our aim is to help you improve your English/French and learn more about life in Paris. You will have a busy schedule with lessons, activities, and trips. We hope you will feel more confident using English/French every day. At the end of each week, you will give a short presentation in class to show what you have learned about Paris.

In this handbook, you will find information about:

Places you might see

What you will study

School rules and procedures

How to give us feedback

Useful advice

Tips to help you improve your English

There is also a sample timetable so you can see what your days will look like (lessons, activities, meals, etc.). You will get your real timetable on your first day. Please always arrive on time. If you are late, tell your group leader or a member of the summer camp team. If you believe you are going to be late, tell your group leader or a member of the summer camp team so they may accompany you to class.

Please read this handbook carefully. You will have a small quiz in class to check that you understand the important information. If you have any questions or problems, talk to us anytime.

We hope you have a wonderful time with EP in Paris.

Keep Learning English/French after your Course

Learning English/French takes time, but small daily habits can help you improve quickly and enjoy the process.

USE A GOOD ENGLISH/FRENCH-ONLY DICTIONARY

A monolingual dictionary (English → English) helps you learn meanings, pronunciation, grammar, and example sentences. Ask your teacher which one they recommend.

Online dictionary: <https://dictionary.cambridge.org/>

<https://www.larousse.fr/dictionnaires/francaise>

GET A GOOD GRAMMAR BOOK

A grammar book with exercises and answers helps you study at home and focus on the areas you find difficult. Your teacher can help you choose a good one.

ORGANISE YOUR NOTES

Keep your work tidy by making sections for:

Vocabulary

Grammar

Speaking

Pronunciation

Reading

Writing

Listening

A small vocabulary notebook is also very useful.

REVIEW YOUR LESSONS EVERY DAY

Reviewing something 24 hours after learning it helps you remember it for longer. Even 20 minutes a day makes a big difference.

LEARN FROM YOUR CLASSMATES

Everyone learns differently. Ask your classmates:

How they remember grammar

How they learn new words

How they practise speaking

Try their ideas and keep the ones that work best for you.

Organise vocabulary by topic or alphabetically, and include:

Meaning

Spelling

Part of speech

Pronunciation

Use colours or pictures to help you remember.

Ideas for Learning New Words

- 💡 Use a monolingual dictionary to learn meanings, pronunciation, grammar, and common word combinations.
- 💡 Keep vocabulary notes organised.
- 💡 Use colours and pictures.
- 💡 Review often — little and often is the best way.

We are happy to welcome you to EP Young Learners. Let us begin our journey together filled with new discoveries and experiences.

It's your attitude that helps us do great things in different ways. You inspire us to keep improving, and it's your enthusiasm that drives us to do our best.

Let's encounter new possibilities, embrace learning, and create memories for life.

Let's enjoy the ride together!
