Booking Student Accommodation in 3 simple steps

Step 1

You can indicate your preferred type of accommodation (homestay or residence) on the application form during your application for a course. Our Student Services team will record the preferred choice of accommodation.

Step 2

EP will be able to secure the accommodation option once the invoice has been paid. Our team will send you the accommodation confirmation with further details on the selected option.

Step 3

You will need to confirm your arrival and send your flight details to our team, as soon as the flight is booked and no later than one week before the flight date. Our team will be able to book and confirm your accommodation and/ or transfers and provide more details within the confirmation document.

If you arrive at a residence or homestay between 22.00–08.00 you may be asked to book alternative accommodation in a hotel on the first night due to late/early arrival at the accommodation.

We work with both directly recruited homestay hosts and carefully selected, accredited third-party accommodation providers.

- Direct agreements: Many of our homestay hosts work directly with us under our supervision. We visit, approve, and monitor them regularly to ensure they meet accreditation standards. We also work directly with some residence providers.
- Accommodation agency partnerships: We also use trusted third-party agencies to arrange accommodation. These agencies are required to meet the same quality and safeguarding standards.
- Whether your accommodation is organised directly by us or through an agency, you will benefit from the same high standards of care, support, and monitoring.
