Library and Study area

There is a bright Library/ Study-Centre available for students which is a great opportunity to help you get more out of your studies. There are open areas where you can work with your classmates and access the internet.

Why not borrowing a book and watch yourself improve as you're able to move up through the understanding of content!

How to

improve your language skills during or outside of your course

At English Path, learning English is fun! Let's have a look at the following tips to make sure you get the most out of your experience.

Study skills

Study Skills refer to the ability to frame and improve our learning. For example, what do we do when we learn a new word? Do we make notes? How? It's very important that we are organised in the way we learn, so that we have a much better chance of remembering the language and using it correctly in the future.

We would like to share with you some ways to keep learning and improving your English skills. If you practice these Study Skills, they will help you to continue your English language learning wherever you are.

Listening, Reading and Writing

What to listen to?

Try to listen to as many different types of spoken English as possible to improve your listening.

You can find lots on the internet:

- Music and songs TV shows, the news and films
- Speeches and interviews
- Audiobooks

What to write?

Getting the new language you've learnt down on paper, can really help to consolidate your learning.

Think about the language you've learnt that week and try the following:

- write an email to a friend/your teacher
- write a diary/journal entry each day
- write your shopping list in English

What to read?

There's so much you can read to practice your skills, it doesn't have to be a book. You can read signs, newspapers, the back of food packets!

- Why don't you find an interesting article online?
- Choose a book you've read in your own language and get reading!
- Find an e-book and read on your daily commute to work or studies. This site has lots of free ones: gutenberg.org

How to

practice vocabulary?

When you record vocabulary, you should also include longer phrases like:

phrasal verbs (e.g. get away with),
multi-word expressions (e.g. How's it going?),
idioms (e.g. raining cats and dogs),
and collocations (e.g. take a chance).

Quizlet

Download the **Quizlet** app – create your own set of flashcards, practice and test yourself!

Cut out lots of strips of paper or use index cards. Use the Language Bank you have made and write a word on one side of each strip, with the translation or definition on the other side. Now you can place your cards on a table and test yourself by placing either all the English sides, or all the translations/definitions, face down and test your memory.

Make two cards with the English word and its translation on different cards. Put all these cards on a table and play a game of Snap! Here's how:

- Place all of the cards face down.
- Take one card and place it face up.
- Take another card and place it face up.
- If the two cards are the English word and its translation - you have Snap! Place the two cards at the side of the table and continue until you have matched all the cards.
- Try timing yourself and completing the game as quickly as possible.

Extra tip: Using a dictionary

Dictionaries are a useful resource for researching different meanings, collocations, examples of use and standard pronunciation. Use a mono-lingual dictionary and focus on understanding the meaning rather than translation of individual words. Translating individual words can often lead to misunderstandings.

A great, big paper mono-lingual dictionary is best but Cambridge, for example, have an online advanced learners' dictionary at www.dictionary.cambridge.org, which is easy to use and provides examples of word use.

Pocket money

Recommended weekly budget: €300. This should cover expenses, laundry, local travel, food and activities. You will need additional money if you want to take weekend trips. Bring €150 with you in cash and a debit or credit card. You will need to check with your financial institution to make sure you will be able to withdraw money from an ATM. It is not a good idea to carry around large amounts of cash.

Clothing

Most students dress casually for classes, but you should bring nice clothes for going out and sportswear for sports and outdoor activities. The climate is changeable and maybe different from your own. The typical temperature is 32-35°C in the Summer and 15-17°C in the Winter, although this can get slightly lower during December & February. Bring waterproof clothing if you're arriving in the Autumn or Winter

Electrical current

Standard voltage in Malta is 240 volts; remember to bring an adaptor with you or buy one when you arrive.

School notifications

We encourage you to follow the school's Instagram account before you arrive and especially during your stay. This will give you an idea of what is happening at the school and help you connect with staff and students. This is also where we will post notification of any unexpected school closures: it is important you check our WhatsApp group account for any messages while you are attending the school. If the school cannot open or school opening will be delayed, we will post a message as soon as possible (the night before or in the morning) to advise you of this, along with information on how to get further updates and any alternate scheduling (if applicable). Follow EP Malta! @EPMalta

When you arrive in Malta

Arriving at the airport in a foreign country can be overwhelming. To better prepare yourself, make sure that you have read the information below about your arrival and how to get to your accommodation. Staying Safe and Respectful in Malta:

What you need to know

Local customs

Women in Malta are equal to men and should always be treated fairly.

Maltese people talk to strangers in public areas. This is a great way to practice English, but caution should be taken. You should not give out your address and telephone number or accept inappropriate invitations.

“Please” and “thank you” are very important words! Always use them if you ask someone to do something for you, or if they help you or give you information.

Malta is a culturally diverse nation where people of all ethnic backgrounds are treated equally.

Tipping is customary in Malta and a gratuity of between 5% and 10%, whenever good service has been provided is reasonable. However if a service charge has already been included in the bill, a tip is not necessary. If discretion and common sense is used, you will have no problems with tipping, but it is always worth checking the individual establishment's policy if you are unsure.

Laws

No one under the age of 17 in Malta may consume alcohol. Smoking tobacco is prohibited for anyone under 18. It is against the law to buy tobacco for someone you know who is under the age of 18.

Driving under the influence of alcohol is very serious crime and police make regular random checks.

Buying, selling, and using drugs is illegal.

Student code of conduct

You must attend all classes. If you do not attend your classes your representative will be informed. If you do not then improve your attendance you may be sent home. 85% attendance is needed to be able to receive a certificate of completion.

Be on time for all your lessons.

Always tell English Path if you are going to be absent from school for any reason and tell your homestay if you are going away overnight.

If you commit a criminal offence or have to be severely disciplined, you will be sent home. We will also inform the immigration authorities.

Be respectful, polite and open to different cultures

Malta Traffic regulations

For drivers,

- Drive on the left hand side of the road
- Observe all posted speed limits and road signs
- You must stop at all STOP signs and red traffic lights
- Everyone in the vehicle must wear a seat belt (see below for exceptions to this rule)
- Obey all directions given by police officers
- Give way to all emergency vehicles which have their sirens and/or lights flashing

For pedestrians,

- When it is safe go straight across the road – do not run.
- Keep looking and listening for traffic while you cross, in case there is any traffic you did not see, or in case other traffic appears suddenly.
- Look out for cyclists and motorcyclists travelling between lanes of traffic.
- Do not walk diagonally across the road.

Procedures in case of arrest by the police

If you're arrested the police must:

- identify themselves as the police
- tell you that you're being arrested
- tell you what crime they think you've committed
- explain why it's necessary to arrest you
- explain to you that you're not free to leave

Medical Insurance

All TCN (third country nationals) students must have medical insurance for the duration of their stay in Malta. They can either book medical insurance offered by English Path or they can choose their own.

Accessing Healthcare in Malta

If a student needs medical treatment, he/she has to let know that to Sara Soriano. You should ideally go to the pharmacy close to the school, where you will find our Doctor. In the event of an emergency or accident, students need to go to the local hospital, Mater Dei, close to the residence. Be aware that hospital patients are treated according to need so students with minor problems may have to wait.

Medical Costs (Approximate)

Medical costs are at the discretion of your local doctor or hospital. Minimum medical costs are as follows:

- Consultation with a doctor: €20 - €35
- Prescriptions at a chemist: €15
- Dental treatment: €65 - €120
- Eye test or new glasses: €30 - €80

If you get sick

If you get sick while in Malta you should visit a doctor. You can ask the Student Services team where the nearest doctor is. If you have a minor illness, you can ask staff at a local pharmacist for advice. Remember to bring any relevant insurance or medical documentation with you

Protecting your belongings

We strongly recommend you take out insurance for your personal belongings, especially cameras, music players, mobile phones and laptops. Personal items cannot be covered by English Path shared apartments or residence insurance

Prescription Medications

Remember to bring enough of your prescribed medication with you as Maltese pharmacists will not dispense a foreign prescription. International customs agents may ask you questions about your medication upon your departure or arrival, so be sure to pack it carefully. Bring any important medical records (blood type, prescriptions, x-rays) that might be useful for medical care abroad as well as contact information for your health care providers at home.

Mental Health and Wellbeing

If you are experiencing mental health difficulties, there are several options for support.

You can speak to the YL Coordinator or a member of the EP Staff, they will help you or can recommend an appropriate service for you.

We can provide immediate support on:
Pre-existing health Concerns/ Mental health Wellbeing
Anxiety
Culture shock/ Homesickness
Confidential Support in a private room for one to one or via WhatsApp

If they are severe conditions, we can suggest one of the credited centers to receive professional assistance.

Emergency and First Aid

If you or someone else has a serious accident or needs immediate medical help:

- Call 112 for emergency services
- Inform the EP office or use the emergency phone – staff will assist you immediately
- Paramedics will provide an initial check and help determine further steps

Fire Safety

If you discover a fire, press the fire alarm button on the nearest alarm. Leave the building immediately via the fire exit. Make sure you tell a member of EP staff exactly what happened so they can call 112. If you hear the fire alarm, leave the building immediately. Do not run, use the lift or stop to collect your belongings. EP staff will guide you to the fire exit. Go to the assembly point. Follow any instructions given by a member of EP staff and do not go back into the building until you are told to do so by EP staff.

Personal Safety & Protecting Your Belongings

Malta is generally a safe place but, you should always be alert. Some tips are: Be alert when you are walking alone at night. Avoid carrying large amounts of cash. Do not leave your belongings unattended. In Malta, you do not need to always carry your identification card or passport with you, you can keep it at home and carry a picture of your ID on your phone or a photocopy in your bag.
