The school where I spent the best days of my life. The teachers and student advisors are all incredibly sweet and helpful. I have countless memories in this school that I could never fully express in writing. If any of you are thinking about this school, don't hesitate for a second—it's my wholehearted recommendation.

The whole experiences in EP Toronto were so fantastic. We have excellent staff. Ashafina is really dedicated to students and so passionate about her works. Also Susan is working hard all the time. They helped me a lot that is why I could adapt Toronto life. We have so many activities every week, the teachers are really friendly. When I was in EP, I felt comfortable. So I could learn a lot of English skill and make lots of memories. I highly recommend **EP Toronto!**
