The Journey

BEFORE YOU LEAVE HOME

Before you travel to Dubai, there are a few important things to get ready! Complete your online placement test. This helps us place you in the right class with students who have a similar level of English. Be honest and don't worry about your results, the test is simply there to help us make sure you are in the class that suits you best.

Pack smart! Check your airline's luggage allowance before you travel, as weight, size and the number of bags allowed can vary. Keep everything you need for your journey in your hand luggage, including:

- Your passport and a photocopy
- Travel documents
- Money
- Any medication you need, with prescriptions
- This student guide
- Phone and charger
- Spare underwear and a toothbrush
- Anything else you may need during the journey

Keep your important documents and valuables somewhere safe and easy to reach!

Travel Trip: Liquids in your hand luggage must be in containers of 100 ml or less. Pack larger liquids in your checked luggage.

ARRIVING IN DUBAI

Before leaving the plane, check that you have all your belongings with you. After passport control and collecting your luggage, an English Path team member will meet you at the airport and guide you to your transfer. Please use the toilet and get anything you need before leaving the airport, as the transfer may not stop along the way. The journey time to your accommodation will depend on which airport you arrive at.

ARRIVING AT YOUR ACCOMMODATION

When you arrive, our EP team will give you a warm welcome. You will receive a lanyard with your ID card and our 24-hour emergency contact number. Please wear it at all times during your stay.

We will show you to your room and give you your key, followed by a short tour of the residence so you know where to find the important facilities.

You will share your accommodation with other students, a great opportunity to make new friends and meet people from around the world! Boys and girls stay in separate areas, and shared spaces are available for relaxing and socialising. Please follow the residence rules at all times.

To make your stay comfortable:

- Respect quiet hours and bedtime
- Keep your room clean and tidy

Staying in the UAE

DUBAI

WEATHER

Dubai is known for its sunny weather all year round, but temperatures change throughout the seasons. Winter (December–February) is cooler and pleasant, with average temperatures around 23°C, making it a great time to explore the city outdoors. Spring and autumn are warm and sunny, while summer (June–August) is the hottest time of the year, with average temperatures around 41°C.

Whatever time of year you visit, you will have plenty of sunshine to enjoy Dubai! During the hotter months, remember to drink plenty of water, use sunscreen, wear light and comfortable clothing, and protect yourself from the sun with a hat and sunglasses. Don't forget that many places in Dubai are air-conditioned, so having a light layer with you can also be useful.

MONEY

The currency used in Dubai is the United Arab Emirates Dirham (AED or درهم). There are 100 fils in one dirham.

Coins

Notes

Cards and contactless payments are widely accepted, but it's always a good idea to carry some cash for small purchases or places that may not accept cards.

UAE CULTURE AND CUSTOMS

Dubai is a modern and multicultural city, but it is also proud of its Arab and Islamic heritage. Showing respect for local customs will help you enjoy your experience and make a great impression.

Dress respectfully - wear appropriate clothing in public places, especially when visiting cultural or religious sites. Avoid clothing with offensive, disrespectful or inappropriate images or messages.

Ask before taking photos - especially Emirati women and families, and respect signs that prohibit photography.

Be respectful during Ramadan - follow the guidance given by your Activity Leaders and show respect for people who are fasting.

Be respectful and polite - avoid behaviour or language that could be considered offensive. Public displays of affection should be kept to a minimum.

Respect religious and cultural places - follow the rules and instructions when visiting mosques, heritage sites or other cultural places

Welfare

At English Path, we want you to feel safe, happy and supported throughout your stay. Our EP team is here to help you, so never be afraid to ask for support or talk to us if something is worrying you.

HOMESICKNESS

It's completely normal to miss home when you're away. If you're feeling sad, lonely or simply need someone to talk to, come and speak to us. Your Welfare Officer, teacher, Group Leader or any EP staff member will be happy to listen and support you.

If you get lost:

- ▶ **Don't panic, stay calm and contact your Group Leader.**
- ▶ **If you cannot reach them, contact the EP emergency number on your ID card.**
- ▶ **Tell us your name and where you are.**

Everyone at English Path deserves to feel safe, respected and included. Bullying, or behaviour that makes another student feel unsafe is not acceptable. If someone is bullying you, making you uncomfortable, or you see something that doesn't feel right, tell us straight away. Speak to your Welfare Officer, Group Leader, teacher or any member of the EP team. We will listen, take your concerns seriously and help you.

We have a clear warning system. Depending on the seriousness of the behaviour, consequences may include losing certain privileges or activities. Serious or repeated behaviour may result in a student being sent home, with any associated costs covered by their parents or guardians.

Giving a Presentation

At EP, every student gets the chance to give a presentation! It's your opportunity to show what you have learned, share your ideas and celebrate your experience at our EP Camp.

You will use: _____

-  **Vocabulary**
-  **Grammar**
-  **Speaking**
-  **Pronunciation**
-  **Reading**
-  **Writing**
-  **Listening**

Presenting also helps you build your confidence when speaking in front of others. It develops skills that will be useful at school, university and in your future career.

A presentation is also a fun way to share your ideas and experiences with others. You will learn how to plan, organise, and prepare a project. It is a way to practice your English in a fun and meaningful way.

-  **Culture sharing**

Not sure what to choose? Ask your teacher for help. They can help you develop your ideas.

DO I HAVE TO WORK ALONE?

You will usually work in small groups, giving you the chance to share ideas, work together and learn from each other.
Before your presentation, your teacher will help you learn the language and presentation skills you need. Then it's time to showcase your work!

 Presentations take place on Fridays.

CAN I USE PICTURES OR VIDEOS FROM MY TRIPS?

Absolutely! Your excursions can give you lots of ideas for your presentation. You can use photos or videos from places you have visited and include interesting things you have seen or learned along the way.
You can also use your Student Workbook to make notes and collect ideas during your stay. At the end of your workbook, you'll find useful English phrases and language to help you prepare and present with confidence.

Keep Learning English after your Course

Learning English is a journey, and every little step makes a difference. Make the most of your time at EP by practising a little every day, trying new things and enjoying the process!

USE A GOOD ENGLISH-ONLY DICTIONARY

A monolingual dictionary (English → English) helps you learn meanings, pronunciation, grammar, and example sentences. Ask your teacher which one they recommend.

Online dictionary: <https://dictionary.cambridge.org/>

GET A GOOD GRAMMAR BOOK

A grammar book with exercises and answers helps you study at home and focus on the areas you find difficult. Your teacher can help you choose a good one.

ORGANISE YOUR NOTES

Keep your work tidy by making sections for: _____

Vocabulary

Grammar

Pronunciation

Reading

Listening

Speaking

Writing

A small vocabulary notebook is also very useful.

REVIEW YOUR LESSONS EVERY DAY

Reviewing something 24 hours after learning it helps you remember it for longer. Even 20 minutes a day makes a big difference.

LEARN FROM YOUR CLASSMATES

Everyone learns differently. Ask your classmates:

How they remember grammar

How they learn new words

How they practise speaking

Try their ideas and keep the ones that work best for you.

Organise vocabulary by topic or alphabetically, and include:

Meaning

Spelling

Part of speech

Pronunciation

Use colours or pictures to help you remember.

Ideas for Learning New Words

- 💡 Use a monolingual dictionary to learn meanings, pronunciation, grammar, and common word combinations.
- 💡 Keep vocabulary notes organised.
- 💡 Use colours and pictures.
- 💡 Review often — little and often is the best way.
