If you hear the fire alarm: Leave the building immediately via the stairs and fire exit. Do not run, use the lift or stop to collect your belongings. EP staff will guide you to the fire exit. Go to the assembly point and stay with your class and teacher there.

Follow any instructions given by a member of EP staff and do not go back into the building until you are told to do so by EP staff.

How to

improve your language skills during or outside of your course

Study skills

Study Skills refer to the ability to frame and improve our learning. For example, what do we do when we learn a new word? Do we make notes? How? It's very important that we are organised in the way we learn, so that we have a much better chance of remembering the language and using it correctly in the future.

We would like to share with you some ways to keep learning and improving your English skills. If you practice these Study Skills, they will help you to continue your English language learning wherever you are.

Listening, Reading and Writing

What to listen to?

Try to listen to as many different types of spoken language as possible to improve your listening.

- Music and songs, TV shows, the news and films
- Speeches and interviews
- Audiobooks

What to write?

Think about the language you've learnt that week and try the following:

- Write an email to a friend/your teacher
- Write a diary/journal entry each day
- Write your shopping list in English

What to read?

There's so much you can read to practice your skills.

- Find an interesting article online?
- Choose a book you've read in your own language and get reading!
- Find an e-book and read on your daily commute to work or studies.

How to

practice vocabulary?

When you record vocabulary, you should also include longer phrases like:

phrasal verbs (e.g. get away with),
multi-word expressions (e.g. How's it going?),
idioms (e.g. raining cats and dogs),
and collocations (e.g. take a chance).

Quizlet 

Download the [Quizlet](#) app – create your own set of flashcards, practice and test yourself!

Cut strips of paper or use index cards. Using your Language Bank, write a word on one side and the translation or definition on the other. Lay the cards on a table and test yourself by placing either all the language sides or all the translations/definitions face down and checking your memory.

Create two cards for each word, one with the word, one with its translation. Spread all the cards on a table and play a game of Snap! Here's how:

- Make two cards for each word and its translation.
- Place all cards face down on a table.
- Turn over two cards at a time.
- If a word and its translation match, you have a Snap!
- Put matched cards aside and continue until all are matched.
- Try timing yourself to complete the game as quickly as possible.

Extra tip: Using a dictionary

Dictionaries are a useful resource for researching different meanings, collocations, examples of use and standard pronunciation. Use a mono-lingual dictionary and focus on understanding the meaning rather than translation of individual words. Translating individual words can often lead to misunderstandings.

A great, big paper mono-lingual dictionary is best but Cambridge, for example, have an online advanced learners' dictionary at www.dictionary.cambridge.org, which is easy to use and provides examples of word use.

Placement Test

At EP, we use the CEFR (Common European Framework of Reference for Languages) to place you in the most suitable class for your age & level.

Prior arrival you have to complete a placement test (grammar, writing, and speaking) so we can place you into the right group. You'll be in a class with students who are at a similar level, so you can feel confident and make progress.

<https://forms.gle/DZZqGqZ15GaYaar27>

During the course, your teachers and our academic team will check your progress. You'll also complete a mid-course feedback questionnaire to help us improve your learning experience.

At the end of your programme, you will receive an EP Certificate of Attendance, which includes:

- Your name and course dates
- Your CEFR level
- Your attendance record

Timetable

Your classes will vary throughout the week. Monday to Friday, you will have a 3-hour lesson per day.

During the rest of the week, you will take part in:

- Half day activities

On excursion days, you will be provided with a packed lunch, and you will return to campus in time for dinner. On other days, after your morning activities, you will go to school for lunch and some free time before your 3-hour evening class, which includes two short breaks.

After class, it's dinner time, followed by evening activities. You'll then return to your accommodation before curfew (10:00pm/22:00)

Please remember:

- Students must not leave the premises unaccompanied.
- Curfew times and all school rules must be respected at all times for your safety and that of others.

Checklist & other useful information

Here are a few important items that you should bring with you:

- Passport
- Acceptance letter
- Accommodation letter
- Proof of health/medical insurance
- Some cash and credit/debit cards
- Apple or Google Pay
- Weather appropriate clothing
- Adaptor for electrical appliances
- Prescription medication and medical records
- Emergency information
- Airport transfer
- Phone and charger(s)
- Toiletries

Clothing

Most students dress casually for classes, but you should bring nice clothes for going out and sportswear for sports and outdoor activities. The climate is changeable and maybe different from your own. The typical temperature is 25-30°C in the summer and 2 to 6°C in the winter, although it can drop below freezing. Bring waterproof clothing if you're arriving in the autumn or winter.

Electrical current

Standard voltage is 230 volts; remember to bring an adaptor with you or buy one when you arrive.

Arrival at the airport

When you land, connect to the airport Wi-Fi or use your mobile data to check for a welcome message from EP. Once you have collected your luggage and passed through security, look for a member of EP YL's staff wearing an EP YL's T-shirt or lanyard and holding an EP sign. You will be met at a clearly designated meeting point in the arrivals hall, where staff will welcome you and escort you safely to your residence.

When you arrive in Berlin

Arriving in a new country can be confusing. Read the information below about your arrival and don't hesitate to ask airport staff for help if needed.

EP YL transfers

If you book an airport transfer, please send your flight details at least 2 weeks in advance. Students should arrive at the airport on the Saturday or Sunday before their course starts.

For departure, EP YL's staff will escort you to the airport, assist with check-in, and stay with you until your flight leaves. They will also help if there are delays or issues. Students are contacted 40 minutes before departure to ensure everyone boards safely.

Transfer help

If your flight changes or you need transfer help, call the emergency numbers and give your name, school (EP YL's), and location. Only use greeters with official EP YL's signage.

Join the school's WhatsApp group for daily updates and any urgent notices, including school closures or delays.

Pocket money

While we cannot tell you exactly how much money to bring, please remember that all essential costs are already included in your programme: accommodation, meals, lessons, activities, visits and tours. Most students therefore only need money for personal expenses such as snacks, souvenirs, laundry, or any optional activities they choose to do in their free time.

Some students choose to give themselves a weekly budget of around €250, which is usually enough to cover everyday expenses, laundry, local travel and small outings. You will need additional funds if you plan to take weekend trips or purchase higher-cost items.

We recommend bringing around €100 in cash for your arrival and using a debit or credit card for the rest of your spending. Please check with your bank in advance to ensure your card will work in UK ATMs.

Do not bring foreign currency, and avoid carrying large amounts of cash for safety reasons.

Staying Safe and Respectful in Berlin:

What you need to know

Local customs

Women in Germany are equal to men and should always be treated fairly.

German people talk to strangers in public areas. This is a great way to practice German, but caution should be taken. You should not give out your address and telephone number, or accept inappropriate invitations.

“Bitte” and “Danke” are very important words! Always use them if you ask someone to do something for you, or if they help you or give you information.

Germany is a culturally diverse nation where people of all ethnic backgrounds are treated equally.

People in Germany leave a tip for good service in restaurants, hair salons and other places. The tip rate at most restaurants is about 5-10% of the bill and is not usually included. Fast food is not tipped unless it is delivered. Porters in hotels should be tipped approximately 5€ per bag. Taxi drivers are generally given a small tip, up to a few Euros.

Laws

No one under the age of 18 in Germany may buy or consume tobacco or alcohol, including beer and wine. It is against the law to buy tobacco or alcohol for someone you know who is under 18.

Driving under the influence of alcohol is a very serious crime and police make regular random checks.

You will need international ID to enter bars, clubs or pubs (e.g. Passport, ID card, driving license).

Buying, selling and using drugs is illegal.

Student code of conduct

You must attend all classes. If you do not attend your classes your representative will be informed. If you do not then improve your attendance you will be sent home. 85% attendance is needed to be able to receive a certificate of completion.

Be on time for all your lessons.

Always inform English Path if you are going to be absent from school for any reason and tell your host family if you are going away overnight.

If you commit a criminal offence or have to be severely disciplined you will be sent home. We will also inform the immigration authorities.

Be respectful, polite and open to different cultures.

Berlin Traffic regulations

When having tours...

- Look at both sides of the road.
- When it is safe, go cross the road – do not run.
- Keep looking and listening for traffic while you cross.
- Look out for cyclists and motorcyclists travelling between lanes of traffic.
- Do not walk diagonally across the road.
- Everyone in a vehicle must wear a seat belt.

Medical Insurance

All students must have medical insurance for the duration of their stay in Germany.

Accessing Healthcare in Berlin

If you get sick while in Germany you should visit a doctor. You can ask the Student Services team or your host family where the nearest doctor is. If you have a minor illness you can ask staff at a local pharmacist for advice. Remember to bring any relevant insurance or medical documentation with you.

Medical Costs

Medical costs are at the discretion of your local doctor or hospital. Minimum medical costs are as follows:

- Consultation with a doctor: 25-90€
- Prescriptions at a chemist: 5-70€
- Dental treatment: 80€
- Eye test or new glasses: 90-300€

Dental Care

There are many private dentists that charge for their services. For free dental treatment by supervised dental students you can try Guy's Hospital floors 17-28, Tower Wing Great Maze Pond London SE1 9RT Tel: 020 7188 8006

Frist Aid

If you or another student has an accident or needs urgent medical attention, please come to the Main or Student Services Offices where the assistance staff is located.

Prescription Medications

Remember to bring enough of your prescribed medication with you as German pharmacists will not dispense a foreign prescription. International customs agents may ask you questions about your medication upon your departure or arrival, so be sure to pack it carefully.

Bring any important medical records (blood type, prescriptions, x-rays) that might be useful for medical care abroad as well as contact information for your health care providers at home.

Mental Health and Wellbeing

If you are experiencing mental health difficulties, there are lots of options for support. You can speak to the Student Services Officer at your campus who can then recommend an appropriate service for you.

There are helplines that offer professional support and can also make referrals to speak to a mental health professional.

Samaritans. To talk about anything that is upsetting you, you can contact Samaritans 24 hours a day, 365 days a year. You can call: 116 123 (free from any phone), email jo@samaritans.org or visit some branches in person. You can also call the Samaritans Welsh Language Line on 0808 164 0123 (7pm-11pm every day).

SANE line. If you're experiencing a mental health problem or supporting someone else, you can call SANE line on 0300 304 7000 (4.30pm-10.30pm every day).

To find the walk-in centres nearby you visit: <https://clch.nhs.uk/services/walk-in-centres>

Please note that everyone is entitled to free emergency medical treatment in the UK. However, if you are admitted to hospital you may be charged if you are not entitled to free medical care. (as described before).

Emergency and First Aid

If you or someone else has a serious accident or needs immediate medical help:

- Call 112 in case of fire.
- Call 110 if you need the police.
- Call 112 in case of a medical emergency.
- Inform the EP office or use the emergency phone – staff will assist you immediately
- Paramedics will provide an initial check and help determine further steps

Fire Safety

If you discover a fire, press the fire alarm button on the nearest alarm. Leave the building immediately via the fire exit. Make sure you tell a member of GBS staff exactly what happened so they can call 112. If you hear the fire alarm, leave the building immediately. Do not run, use the lift or stop to collect your belongings. GBS staff will guide you to the fire exit. Go to the assembly point. Follow any instructions given by a member of EMA staff and do not go back into the building until you are told to do so by GBS staff.

Personal Safety & Protecting Your Belongings

Berlin is generally a safe place but as with a lot of big cities, you should always be alert. Some tips are: Be alert when you are walking alone at night. Avoid carrying large amounts of cash. Do not leave your belongings unattended. In Germany, you do not need to always carry your identification card or passport with you, you can keep it at home and carry a picture of your ID on your phone or a photocopy in your bag.

Life in Berlin

Leisure time

Brandenburg Gate

The Brandenburg Gate is Berlin's most famous landmark and a symbol of unity. Built in the late 18th century in neoclassical style, this monumental gate once marked the start of the road from Berlin to Brandenburg an der Havel and now stands as a historic reminder of peace and freedom.

TV Tower

Soaring 368 meters into the Berlin sky, the iconic TV Tower offers the best panoramic views of the city. Whether you're spotting landmarks from the revolving Sphere restaurant or just catching a glimpse of it from Alexanderplatz, this East Berlin emblem never fails to impress.

Tiergarten

Once a royal hunting ground, Tiergarten is now Berlin's lush, green heart. Perfect for lazy strolls, morning jogs, or spontaneous picnics, it's a peaceful escape right in the middle of the city. And don't be surprised if you stumble upon statues, ponds, or even a hidden café.

Reichstag

A historic powerhouse with a modern twist, the Reichstag blends past and present like no other. Its striking glass dome welcomes visitors to walk in circles while gazing over Berlin's rooftops and political center. Don't miss the sunset view from the top.

Life in Berlin

Cultural

Museum Island

A UNESCO World Heritage Site and an art lover's paradise. Museum Island gathers five world-class museums on a tiny island in the Spree, from ancient Egyptian wonders to 19th-century paintings. Culture, history, and architecture all in one place.

Berlin Wall

Once a symbol of division, now a canvas of unity and expression. Fragments of the Berlin Wall still stand throughout the city, each piece telling a story. It's more than concrete, it's memory, resistance, and a testament to change.

Historical landmark

Berlin is dotted with historical landmarks at every turn : palaces, memorials, monuments, and squares that whisper (and sometimes shout) stories from every era. The past isn't buried here, it's part of everyday life.

Schweinshaxe

A feast for meat lovers! This crispy pork knuckle, slow-roasted to perfection, is a Bavarian classic that Berlin has fully embraced. Usually served with sauerkraut and potato dumplings, it's comfort food with a serious crunch.

Schnitzel

Golden, crispy, and oh-so-satisfying, the schnitzel is Germany's answer to feel-good food. Whether it's made with pork or veal, this breaded cutlet is a must-try, especially when served with a lemon wedge and potato salad.

Pretzel (Brezel)

Soft on the inside, salty on the outside, and twisted to perfection, the classic German pretzel is the ultimate snack. Whether warm from a bakery or paired with mustard and sausage, it's impossible to have just one.

Königsberger Klopse

These creamy, tangy meatballs are pure Berlin comfort. Made with veal or beef and served in a white caper sauce, Königsberger Klopse might sound fancy, but they're actually hearty, home-style cooking at its best.

East Side Gallery

More than just a stretch of wall, the East Side Gallery is a 1.3 km-long open-air art gallery. Covered in over 100 murals painted after the fall of the Berlin Wall, it's an ever-changing tribute to freedom and creativity.

Elephant with Earth Balloon

This giant street art mural of an elephant balancing the Earth like a balloon is one of Berlin's most photographed surprises. Found in Kreuzberg, it's bold, playful, and deeply symbolic, a reminder of strength, balance, and imagination.

Bülowstraße

If you're into street art, head straight to Bülowstraße. This buzzing corner of Schöneberg is a living gallery, thanks to the Urban Nation Museum. Towering murals, bold colors, and rotating installations make every visit a visual adventure.

Leisure and Supervision

Our Young Learners programmes include a full timetable of exciting cultural, educational, and social activities to help you enjoy the best of city life while making friends and practising your language in real-world settings.

Activities include sightseeing tours, cultural visits, sports, themed evenings, and excursions to iconic destinations such as museums and royal parks.

Weekly Activity Schedule

A weekly activity schedule is shared at the centre, during induction and a reminder is shared the day before of the agenda for next day. Please note:

- All activities are mandatory unless otherwise advised for specific reasons (e.g. illness).
- The programme has been carefully designed to balance learning, fun, and student welfare.

Supervision & Ratios

Student safety is our top priority. Supervision is provided at all times by trained staff:

- 1:20 ratio for students aged 13+
- 1:15 ratio for students aged 8–12

Staff roles are clearly allocated for each excursion, including first aiders, group leaders, and designated meeting points. Extra care is taken during transport, high-traffic areas, and late returns.

Before Every Excursion

Before any outing, you'll attend a compulsory safety briefing which covers:

- The destination and cultural context
- Emergency contact information
- How to stay safe and what to do if separated
- The name and phone number of your lead staff member

Free Time – Supervised Independence

During some city visits, short periods of free time are allowed in clearly defined areas.

You'll be asked to:

- Remain in small groups
- Share your live location with EP staff via mobile phone
- Check in at set times and return to the meeting point punctually

This helps you enjoy some independence while ensuring staff can support you at all times.

Support for Parents

At EP, we understand how important it is for parents to feel informed and reassured while their child is studying abroad. We are committed to clear and responsible communication.

Communication Protocol

In most cases, all communication with families will be made via the partner agent through whom the booking was arranged. This includes updates on:

- Attendance or unexplained absences
- Illness or medical concerns
- Behavioural or safeguarding issues

In the rare event of a serious emergency or where immediate contact is required, we may contact parents/guardians directly if it is deemed necessary for the child's safety or wellbeing.

Staying in Touch

- Students are encouraged to stay in regular contact with families
- Wi-Fi is available in both the residences and the teaching centre
- Phone or video calls can be made during free time, especially in the evenings

24/7 Emergency Support

We operate a 24-hour emergency contact number for urgent situations. This number will be shared before arrival and is available to agents and families.

 Please only use this number for genuine emergencies, as it may be needed to support a student in immediate need.

We are here to safeguard your child's experience and wellbeing at all times.

A Final Note

We are happy to welcome you to EP Young Learners. Let us begin our journey together filled with new discoveries and experiences.

It's your attitude that helps us do great things in different ways. You inspire us to keep improving, and it's your enthusiasm that drives us to do our best.

Let's encounter new possibilities, embrace learning, and create memories for life.

Let's enjoy the ride together!
