Your Summer Camp

BRISBANE

English Path wants you to have a great time this summer. You will learn English in class, enjoy fun activities with new friends, and explore the local area and different places in Brisbane.

Our aim is to help you improve your English and learn more about life in Brisbane. You will have a busy schedule with lessons, activities, and trips. We hope you will feel more confident using English every day. At the end of each week, you will give a short presentation in class to show what you have learned.

In this handbook, you will find information about:

-  Places you might see
-  What you will study
-  School rules and procedures
-  How to give us feedback
-  Useful advice
-  Tips to help you improve your English

There is also a sample timetable so you can see what your days will look like (lessons, activities, meals, etc.). You will get your real timetable on your first day. Please always arrive on time. If you are late, tell your group leader or a member of the summer camp team. If you believe you are going to be late, tell your group leader or a member of the summer camp team so they may accompany you to class. If you are not part of a group and do not have a group leader a member of EP staff will make sure you are awake and ready on time.

Please read this handbook carefully. You will have a small quiz in class to check that you understand the important information. If you have any questions or problems, talk to us anytime.

We hope you have a wonderful time with English Path.

About Brisbane

Home of the 2032 Olympics, amazing year-round climate - home of warm summers and mild winters. Brisbane days rarely drop below 20 degrees and rarely exceed 30 degrees. A short trip to Australia's playground - the Gold Coast. South East Queensland is also the home of the Whale watching highway. Brisbane is also surrounded by stunning riverside walks and bikeways.

FAMOUS LANDMARKS

Streets Beach, Southbank, Moreton Bay, Tangalooma, access to Gold Coast and Sunshine Coast, less than 1 hour from Seaworld, Movieworld, Dreamworld and Water Parks, less than 1 hour from Australia Zoo.

CITY PERSONALITY

Brisbane is a relaxed, welcoming river city with a vibrant cultural scene and a strong academic community. Its warm subtropical climate and easy-going lifestyle make it an ideal place to study, explore and enjoy the outdoors.

TRANSPORT

All transport for excursions are included in the programme and students are accompanied by EP staff.

MEALS

Generally breakfast and dinner are included with a packed lunch, full board option also available.

WHAT MAKES THIS CITY UNIQUE?

As Queensland's capital, Brisbane combines vibrant city life with natural beauty. Contemporary architecture sits alongside lush parklands and historic landmarks, while world-class dining, outdoor adventures and a welcoming multicultural community create an exciting yet effortlessly relaxed atmosphere.

What to Expect

WELFARE (YOUR SAFETY AND WELLBEING)

Your safety is our top priority. We have a 24-hour Emergency Phone contact. All staff are trained to look after you and have the Australian Working with Children Blue Card and are trained in first aid. Our centres are safe and well supervised.

LEARNING

In class, you will practise all your English skills, with a particular focus on speaking. You will explore Brisbane's culture and city life while sharing your own culture with classmates, helping you develop confidence and intercultural communication skills.

Each lesson connects to Brisbane and focuses on practical English you can use immediately during everyday activities. Through collaborative group work, you will learn about different cultures, strengthen your language skills and demonstrate what you have learned.

We will also help you develop the strategies needed to learn independently and continue working towards your future goals beyond the course.

You are encouraged to use English as much as possible.

FUN

Learning English is not only about lessons. You will also join activities with our trained Student Experience team. These activities help you practise English in a fun way with other students.

EXPLORE BRISBANE

You will visit famous places with our Student Experience team. You might see important city sights, famous landmarks, or even spend a day at the beach. These trips help you use English in real life while discovering the real Brisbane.

The Journey

BEFORE YOU LEAVE HOME

You will complete an online placement test. This is very important as it is used to decide which class to put you in. Please don't use your phone or AI to help you. You will have the best time if you are in class with students who have a similar level of English as you.

Travelling abroad is exciting, and there are a few things to prepare before you go. Here is some helpful information for your trip. Check how much luggage your airline allows. Different airlines and destinations have different rules about weight, size, and number of bags. Most airlines let you check in one big suitcase and take one small bag as hand luggage.

Your hand luggage should include:

- **Your passport and a photocopy**
- **Travel documents**
- **Money**
- **Any medicine you need (with prescriptions)**
- **This student guide**
- **Phone and charger**
- **Spare underwear and a toothbrush**
- **Anything else you need during the journey**

Remember: Liquids in hand luggage must be 100ml or less and there are now restrictions on use of Power Banks during the flight. Please check with your airline.

ARRIVING IN BRISBANE

Before you leave the plane, make sure you take all your belongings. After passport control and collecting your suitcase, you will meet a member of our team. They will take you to a coach that will drive you to your accommodation. The coach usually does not stop on the way, so use the toilet or buy snacks before leaving the airport. The journey may take 30 mins to 1 hour, depending on where you are staying.

ARRIVING AT THE CENTRE

When you arrive, our EP staff will give you a warm welcome. You will receive a lanyard with your ID card and the English Path 24-hour emergency number. Please wear this at all times.

You will be shown to your room or homestay accommodation.

Depending on whether you are in homestay or shared accommodation you will most likely be sharing a room with one of your group travelling companions. EP will also explain how you can get to the Centre for Day 1.

To make your stay comfortable:

- **Respect bedtimes and keep quiet after lights out**
- **Keep your room clean and tidy**
- **Follow the accommodation's rules**

There is a warning system in place and depending on how serious the offense is, privileges may be removed or you might be sent home at your parents' expenses.

Giving a Presentation

At EP, every student gives a presentation. This is your chance to show what you have learned during your time at the EP camp.

Presentations are a great way to practise your English and develop your creativity.

You will use: _____

Your teacher will provide you with a presentation brief. Within that brief, you are free to be creative and choose something that is interesting to you. Examples briefs include:

-  Culture sharing
-  Inventions
-  Food and drink
-  Travel
-  Creating videos or audios
-  British culture

Create things you enjoy, when you are interested, your audience will enjoy it too. If you need help choosing, your teacher will help you with your ideas.

No. You will work in small groups, which helps you learn how to share ideas and plan together. Before you showcase your project, you will learn the skills and language you need and you will present on Fridays.

CAN I USE PICTURES OR VIDEOS FROM MY TRIPS?

Yes, please do! Using photos or videos from your excursions is a great idea. Think about the places you visited and include anything interesting in your presentation. You can also use your Student Workbook to make notes for your presentations. At the end of the workbook, you will find useful language to help you present.

Keep Learning English after your Course

Learning English takes time, but small daily habits can help you improve quickly and enjoy the process.

USE A GOOD ENGLISH-ONLY DICTIONARY

A monolingual dictionary (English → English) helps you learn meanings, pronunciation, grammar, and example sentences. Ask your teacher which one they recommend.

Online dictionary: <https://dictionary.cambridge.org/>

GET A GOOD GRAMMAR BOOK

A grammar book with exercises and answers helps you study at home and focus on the areas you find difficult. Your teacher can help you choose a good one.

ORGANISE YOUR NOTES

Keep your work tidy by making sections for: _____

Vocabulary

Grammar

Speaking

Pronunciation

Reading

Writing

Listening

A small vocabulary notebook is also very useful.

REVIEW YOUR LESSONS EVERY DAY

Reviewing something 24 hours after learning it helps you remember it for longer. Even 20 minutes a day makes a big difference.

LEARN FROM YOUR CLASSMATES

Everyone learns differently. Ask your classmates:

How they
remember
grammar

How they learn
new words

How they
practise speaking

Try their ideas and keep the ones that work best for you.

Organise vocabulary by topic or alphabetically, and include:

Meaning

Spelling

Part of speech

Pronunciation

Use colours or pictures to help you remember.

Ideas for Learning New Words

- 💡 Use a monolingual dictionary to learn meanings, pronunciation, grammar, and common word combinations.
- 💡 Keep vocabulary notes organised.
- 💡 Use colours and pictures.
- 💡 Review often — little and often is the best way.
