Before you leave your country

Here are some important things you need to know to make your arrival as smooth as possible. Use our checklist to ensure you don't forget anything and are prepared for the exciting times ahead.

Pocket money

Recommend weekly budget: £150. This should cover expenses, laundry, local travel and activities. You will need additional money if you want to take weekend trips. Bring £100 with you in cash and a debit or credit card. You will need to check with your financial institution to make sure you will be able to withdraw money from a British ATM. Do not bring foreign currency. It is not wise to carry around large amounts of cash.

Clothing

Most students dress casually for classes, but you should bring nice clothes for going out and sportswear for sports and outdoor activities. The weather in the UK can be very unpredictable and even in the Summer there can be times where it is cold and it rains. In the Summer it is best to prepare for all types of weather and the weather can change multiple times throughout the day. In Winter the UK can get very cold and it is important to have a thick Winter coat. Waterproof clothing is essential all year round.

Electrical current

Standard voltage in England is 230 volts; remember to bring an adaptor with you or buy one when you arrive.

School notifications

We encourage you to join the school WhatsApp group. This is also where we will post notification of any unexpected school closures: it is important you check this for any messages while you are attending the school, especially if there is severe weather in the area (e.g. snowstorm, flood, etc.). If the school cannot open or school opening will be delayed, we will post a message as soon as possible (the night before or in the morning) to advise you of this, along with information on how to get further updates and any alternate scheduling (if applicable).

We also encourage you to follow the school's Instagram account before you arrive and especially during your stay. This will give you an idea of what is happening at the school and help you connect with staff and students. Follow EP Manchester! **@englishpathschools**

When you arrive in Manchester

Arriving at the airport in a foreign country can be overwhelming. To better prepare yourself, make sure that you have read the information below about your arrival and how to get to your accommodation. If you get lost or confused upon arrival, don't be afraid to ask the airport staff for help as they will be happy to give assistance.

EP transfers

You should arrive at Manchester Airport. We request that you book your flights according to the starting date of your specific programme. You must arrive on the Saturday or Sunday prior to your course start date. If you have booked a transfer service, a driver will meet you outside the customs area and drive you to your homestay or residence. Please ensure you arrange and pay the transfer fee in advance.

Transfer service emergency contact details

If you have any flight changes, miss a connecting flight or need help meeting the transfer service, you should call one of the following emergency numbers. Please be prepared to tell them your name, school name (English Path) and location. You should only accept a transfer from a greeter with the official English Path signage.

Local customs

- Women in the UK are equal to men and should always be treated fairly.
- In Manchester it is not uncommon for strangers to start conversations with you, this is a great way to meet new people and practice English, but you should not give out your address and telephone number, or accept inappropriate invitations.
- "Please" and "thank you" are very important words! Always use them if you ask someone to do something for you, or if they help you or give you information.
- The UK is a culturally diverse nation where people of all ethnic backgrounds are treated equally.
- Queueing is very important in the UK and if you are waiting at a shop or for a service you should always join the back of the queue if there are other people waiting.

Health and safety

- **Medical insurance:** If you are studying in the UK for less than 6 months, you should take out private health insurance before coming to the UK.
If you need to see a doctor, you may go to one of the walk-in centres. To find the walk-in centres nearby you visit: clch.nhs.uk/services/walk-in-centres.
- **If you get sick:** If you get sick while in the UK you should visit a doctor. To do this you will need to register as a temporary patient, which we recommend you do at the start of your stay. You can ask the Student Services team or your host family where the nearest doctor is. If you have a minor illness you can ask staff at a local pharmacist for advice. Remember to bring any relevant insurance or medical documentation with you.
- **Protecting your belongings:** We strongly recommend you take out insurance for your personal belongings, especially cameras, music players, mobile phones and laptops. Personal items cannot be covered by English Path homestay or residence insurance.

- **Prescription medication:** Remember to bring enough of your prescribed medication with you as UK pharmacists will not dispense a foreign prescription. International customs agents may ask you questions about your medication upon your departure or arrival, so be sure to pack it carefully. Bring any important medical records (blood type, prescriptions, x-rays) that might be useful for medical care abroad as well as contact information for your health care providers at home.
- **Staying safe at school:** If you or another student has an accident or needs urgent medical attention, please come to student services office where the First Aider is located.
- **Fire safety:** Fire safety: If you discover a fire, press the fire alarm button on the nearest alarm. Leave the building immediately via the fire exit. Make sure you tell a member of EP staff exactly what happened so they can call 999. If you hear the fire alarm, leave the building immediately. Do not run, do not use the lift and do not stop to collect your belongings. EP staff will guide you to the fire exit. Go to the assembly point. Follow any instructions given by a member of EP staff and do not go back into the building until you are told to do so by EP staff.
- **Personal safety and looking after valuables:** Manchester is generally a safe place but as with a lot of big cities, you should always be alert. Some tips are: Be alert when you are walking alone at night. Avoid carrying large amounts of cash. Do not leave your belongings unattended. Be aware of pickpockets in crowded city areas. Do not stop and talk to people trying to sell things on the street.

Emergency services

- Call 999 in case of fire, a medical emergency or if you need the police.
- Call 101 if you need the Police and it is not an emergency.
- Call 111 if you need medical and it isn't an emergency.

Medical costs

- Healthcare in the UK is free and you only have to pay for medicine. Private healthcare and insurance is available if you do not want to use the NHS. We recommend that you check your cover on the NHS website or at <https://www.nhs.uk/nhs-services/>

Laws

- No one under the age of 18 in the UK may buy or consume tobacco or alcohol, including beer and wine. If you are under 18, it's against the law for someone to sell you alcohol, to buy or try to buy alcohol, and for an adult to try to buy alcohol for you.
- For drivers, you must drive on the left hand side, observe all speed limits and signs, give way to emergency vehicles, obey all directions given by police, stop at red traffic lights, and must wear a seatbelt.
- Driving under the influence of alcohol is a very serious crime and police make regular random checks.
- You will need international ID to enter bars, clubs or pubs (e.g. Passport, ID card, driving license).
- Buying, selling and using drugs is illegal.

Student code of conduct

- You must attend all classes. If you do not attend your classes your representative will be informed.
If you do not then improve your attendance you may not be able to continue your course. 85% attendance is needed to be able to receive a certificate of completion.
- Be on time for all your lessons.
- Always tell English Path if you are going to be absent from school for any reason and tell your host if you are going away overnight.
- If you commit a criminal offence or have to be severely disciplined you will be sent home. We will also inform the immigration authorities.
- Be respectful, polite and open to different cultures.

Open bank account

- Main banks in the UK are HSBC, Barclays, Natwest, Nationwide and Santander. To open a bank account, the following documents may be needed:
 - Passport or EU ID
 - A valid visa
 - A school letter
- You can get the school letter from Student Services to take to the bank. For online banks, you may open your account online without the letter from us.

Further education advice

Exam courses

IELTS - English Path

The IELTS Preparation course is for students who want to take the IELTS Academic Exam. This course is designed to prepare students at Intermediate levels and above for the IELTS Exam. It aims to develop your English skills and improve your exam technique.

Further study in the UK

If you are looking to attend university or study in the UK, you can ask the Student Services or Academic Team for advice. We are here to provide advice and options on further study or higher education. Our partner school GBS also offers a range of further and higher education courses.

Study tips

Study skills

Study skills are how we can organise and improve our learning. For example, what do we do when we learn a new word? Do we make notes? How? It's very important that we are organised in the way we learn, so that we have much better chance of remembering the language and can use it correctly in the future. We would like to teach you some ways to keep learning and improving your English skills. If you practice these Study Skills, it will help you to continue your English language learning wherever you are.

Using a dictionary

Dictionaries are a useful resource for researching different meanings, collocations, examples of use and standard pronunciation. Use a mono-lingual dictionary and focus on understanding the meaning rather than the translation of individual words. Translating individual words can often lead to misunderstandings. A great big paper mono-lingual dictionary is best but Cambridge, for example, has an advanced learners' dictionary at www.dictionary.cambridge.org, which is easy to use and provides examples of word use.

Learning vocabulary

When you record vocabulary, you should also include longer phrases like phrasal verbs (e.g. get away with), multi-word expressions (e.g. How's it going?), idioms (e.g. raining cats and dogs), and collocations (e.g. take a chance). Please see the language bank, irregular verbs and phonemic chart in appendix 1 and 2.

Tracking your progress

As well as placement, weekly and monthly testing, there will be a group study skills session every four weeks where your teacher will give feedback to the class and tips about how to improve in the areas you need help with.
