What is a Package?

This is where EP and the Partner College issues 2 x CoE's for the student to get one Student Visa. Usually, full EP fees are required as well as a deposit for Semester 1 at the Pathway College. Any package is market specific as the risk around the visa sits with the Principal Course holder which will always be the Pathway College.

The student would complete the appropriate course of studies at EP and on EP recommendation would be accepted into college without requiring an IELTS. Some markets however may be required to show an IELTS however for visa purposes.

What is a Pathway?

The student would complete the appropriate course of studies at EP and on EP recommendation would be accepted into college without requiring an IELTS. Some markets however may be required to show an IELTS however for visa purposes.

A Pathway would be offered to students who are due to complete their studies at EP and would like to continue to study a formal course on a new Student Visa.
