NOTES:

Lesson Schedule

Lessons may be scheduled in the morning or afternoon at the school's discretion. This will depend on various operational factors, including weather conditions at the destination (e.g., during periods of high heat, students may remain at the school for lessons to ensure their wellbeing). Final scheduling also depends on overall student numbers and other organisational requirements.

Individual bookings

Individual students joining our Dublin and London Middlesex campuses are placed into a dedicated English Path group with an assigned group leader. Please note that these groups are only available on two start dates: the second and fourth weeks of the programme cycle.
