Skills classes

English Path offers three skills courses that let you develop your language for social, academic, and career contexts. They are an optional extra hour added to your General English lessons, included in Semi-Intensive or super-intensive, and are one of the best ways to get more from your time with EP. At A1-B1, everyone taking the extra Skills hour joins Communication Workshop, practical speaking, everyday vocabulary, and the confidence to manage daily life. At B1+ to C1, you choose your direction: Academic Skills covers English for Academic Purposes, critical thinking and exam preparation, including IELTS, for students heading to university. Career Skills covers business English, professional communication and employability, for students building their career. Both paths run at every EP campus, year-round.

Your skill options are based on your language level:

A1 - B1	B1+ – C1	
Communication Workshop Practical speaking, vocabulary and confidence for daily life.	Academic Skills Everything you need to prepare for university or academic English tests.	Career Skills Boost your employability and business English skills.

Teaching methodology

At English Path we build every course around five things:

- Real-world outcomes and future-ready skills: English for real life, not just the textbook.
- Adaptive teaching: teachers respond to what you and your class need.
- Iterative learning: you produce, get feedback, and refine, every week.
- Purposeful use of technology: digital coursebooks and presentation materials support your learning.
- Study clinics: free one-to-one support, help booking Cambridge and IELTS exams, and regular masterclasses.

All EP teachers are trained in this approach from day one, for a consistent experience across every EP location.

Checklist & other useful information

Here are a few important items that you should bring with you:

- Passport
- Acceptance letter
- Accommodation letter
- Proof of health/medical insurance
- A bit of cash and credit/debit cards/ Apple or Google Pay
- Weather-appropriate clothing (depending on the season you come to Toronto)
- Adaptor for electrical appliances • Prescription medication and medical records
- Emergency information

Before you leave your country

Here are some important things you need to know to make your arrival as smooth as possible. Use our checklist to ensure you don't forget anything and are prepared for the exciting times ahead.

Pocket money

Recommend weekly budget: \$250. This should cover expenses, laundry, local travel and activities. You will need additional money if you want to take weekend trips. Bring \$100 with you in cash and a debit or a credit card. You will need to check with your financial institution to make sure you will be able to withdraw money from a Canadian ATM. Do not bring foreign currency. It is not wise to carry around large amounts of cash.

Clothing

Most students dress casually for classes, but you should bring nice clothes for going out and sportswear for sports and outdoor activities. The climate is changeable and maybe different from your own. The typical temperature is 25-35°C in the Summer and -5 - -10° C in the Winter, although it can drop lower with heavy snow/sleet. Bring waterproof clothing if you're arriving in the Autumn or Winter.

Electrical current

Standard voltage in Canada is 120 volts; remember to bring an adaptor with you or buy one when you arrive.

School notifications

We encourage you to follow the school's WhatsApp account before you arrive and especially during your stay. This will give you an idea of what is happening at the school and help you connect with staff and students. This is also where we will post notification of any unexpected school closures: it is important you check your WhatsApp for any messages while you are attending the school, especially if there is severe weather in the area (e.g. snowstorm, flood, etc.). If the school cannot open or school opening will be delayed, we will post a message as soon as possible (the night before or in the morning) to advise you of this, along with information on how to get further updates and any alternate scheduling (if applicable).

Follow EP! @englishpathschools

When you arrive in Toronto

Arriving at the airport in a foreign country can be overwhelming. To better prepare yourself, make sure that you have read the information below about your arrival and how to get to your accommodation. If you get lost or confused upon arrival, don't be afraid to ask the airport staff for help as they will be happy to give assistance.

EP Transfers

Students should arrive at Toronto Pearson Airport. We request that you book your flights according to the starting date of your specific program. You must arrive on the Saturday or Sunday prior to your course start date.

If you have booked a transfer service, a driver will meet you outside the customs area and drive you to your homestay or residence. Please ensure you arrange and pay the transfer fee in advance.

Transfer service emergency contact details

If you have any flight changes, miss a connecting flight or need help meeting the transfer service, you should call the emergency number below. Please be prepared to tell them your name, school name (English Path) and location. Students should only accept a transfer from a greeter with the official English Path signage.

Local Customs

Women in Canada are equal to men and should always be treated fairly. Canadian people talk to strangers in public areas. This is a great way to practice English, but caution should be taken. You should not give out your address and telephone number, or accept inappropriate invitations. "Please" and "thank you" are very important words! Always use them if you ask someone to do something for you, or if they help you or give you information. Say "sorry" or "excuse me" when you bump into someone. Upon entering a home, remove your shoes. Canada is a culturally diverse nation where people of all ethnic backgrounds are treated equally. People in North America leave a tip for good service in restaurants, hair salons and other places. The tip rate at most restaurants is about 15-20% of the bill and is not usually included. Fast-food is not tipped unless it is delivered. Porters in stations, airports and hotels should be tipped approximately \$1 per bag.

Health and safety

Medical insurance: all students must have medical insurance for the duration of their stay in Canada. You can either book medical insurance offered by English Path or you can choose your own.

If you get sick: if you get sick while in Canada you should visit a doctor. You can ask the student services team or your host family where the nearest doctor is. If you have a minor illness you can ask staff at a local pharmacist for advice. Remember to bring any relevant insurance or medical documentation with you.

Protecting your belongings: we strongly recommend you take out insurance for your personal belongings, especially cameras, music players, mobile phones and laptops. Personal items cannot be covered by English Path homestay or residence insurance.

Prescription medication: remember to bring enough of your prescribed medication with you as Canadian pharmacists will not dispense a foreign prescription. International customs agents may ask you questions about your medication upon your departure or arrival, so be sure to pack it carefully. Bring any important medical records (blood type, prescriptions, x-rays) that might be useful for medical care abroad as well as contact information for your health care providers at home.

Medical costs

Medical costs are at the discretion of your local doctor or hospital. Minimum medical costs are as follows:

- Consultation with a doctor: \$75-100
- Prescriptions at a pharmacy: \$25 per item
- Dental treatment: \$150
- Eye test or new glasses: \$60-100
