- In Manchester it is not uncommon for strangers to start conversations with you, this is a great way to meet new people and practice English, but you should not give out your address and telephone number, or accept inappropriate invitations.
- "Please" and "thank you" are very important words! Always use them if you ask someone to do something for you, or if they help you or give you information.
- The UK is a culturally diverse nation where people of all ethnic backgrounds are treated equally.
- Queueing is very important in the UK and if you are waiting at a shop or for a service you should always join the back of the queue if there are other people waiting.

Health and safety

- **Medical insurance:** If you are studying in the UK for less than 6 months, you should take out private health insurance before coming to the UK.

If you need to see a doctor, you may go to one of the walk-in centres. To find the walk-in centres nearby you visit: clch.nhs.uk/services/walk-in-centres.

- **If you get sick:** If you get sick while in the UK you should visit a doctor. To do this you will need to register as a temporary patient, which we recommend you do at the start of your stay. You can ask the Student Services team or your host family where the nearest doctor is. If you have a minor illness you can ask staff at a local pharmacist for advice. Remember to bring any relevant insurance or medical documentation with you.
- **Protecting your belongings:** We strongly recommend you take out insurance for your personal belongings, especially cameras, music players, mobile phones and laptops. Personal items cannot be covered by English Path homestay or residence insurance.

- **Prescription medication:** Remember to bring enough of your prescribed medication with you as UK pharmacists will not dispense a foreign prescription. International customs agents may ask you questions about your medication upon your departure or arrival, so be sure to pack it carefully. Bring any important medical records (blood type, prescriptions, x-rays) that might be useful for medical care abroad as well as contact information for your health care providers at home.
- **Staying safe at school:** If you or another student has an accident or needs urgent medical attention, please come to student services office where the First Aider is located.
- **Fire safety:** Fire safety: If you discover a fire, press the fire alarm button on the nearest alarm. Leave the building immediately via the fire exit. Make sure you tell a member of EP staff exactly what happened so they can call 999. If you hear the fire alarm, leave the building immediately. Do not run, do not use the lift and do not stop to collect your belongings. EP staff will guide you to the fire exit. Go to the assembly point. Follow any instructions given by a member of EP staff and do not go back into the building until you are told to do so by EP staff.
- **Personal safety and looking after valuables:** Manchester is generally a safe place but as with a lot of big cities, you should always be alert. Some tips are: Be alert when you are walking alone at night. Avoid carrying large amounts of cash. Do not leave your belongings unattended. Be aware of pickpockets in crowded city areas. Do not stop and talk to people trying to sell things on the street.

Emergency services

- Call 999 in case of fire, a medical emergency or if you need the police.
- Call 101 if you need the Police and it is not an emergency.
- Call 111 if you need medical and it isn't an emergency.

Medical costs

- Healthcare in the UK is free and you only have to pay for medicine. Private healthcare and insurance is available if you do not want to use the NHS. We recommend that you check your cover on the NHS website or at <https://www.nhs.uk/nhs-services/visiting-or-moving-to-england/>

- For drivers, you must drive on the left hand side, observe all speed limits and signs, give way to emergency vehicles, obey all directions given by police, stop at red traffic lights, and must wear a seatbelt.
- Driving under the influence of alcohol is a very serious crime and police make regular random checks.
