YOUNG LEARNERS 2025:ALL CAMPUSES

Creating memories for life!

About our Young Learners Speaker

Meet Romina Borderas, our Global Head of Young Learners at English Path. With over 15 years of experience in international language education, Romina is a passionate advocate for learning. She holds a bachelor's degree in Education, a CELTA certificate and 2 higher education programmes, bringing both expertise and enthusiasm to everything she does. Throughout her career, Romina has worn many hats; working directly with students, leading summer programmes for young learners, and overseeing year-round courses for adults. Her love for travel and discovering new cultures has taken her across the globe, having lived in Spain, The Netherlands, Sweden and Paris. Now, she calls the UK home, where she continues to inspire and support learners from around the world.

“

I truly believe in the excellence of the programmes we've designed at English Path. Our courses are not only engaging and effective but also tailored to meet the unique needs of each student. With dedicated support every step of the way, students receive the guidance they need to succeed and have a fantastic experience. We are here for you, and I'm confident that you'll thrive in our vibrant learning environment!

”

What makes us the right choice?

Learn

Students learn in a setting surrounded by experienced professionals who are eager to support their development and progress.

Support

The welcoming staff are always available to assist students with both academic and personal matters.

Socialise

We work to create a relaxed atmosphere for our students to be able to socialise and make new friends

Excel

Our team is fully equipped with all the necessary resources to help our students successfully graduate.

Purpose, Vision & Mission

To establish and maintain a singular cross-cultural communication tool in a divided world, bringing people together through a common language. People who can communicate without barriers are more likely to work together for the common good. That is the reason for English Path's existence. We believe that everyone has the right to education and English is often the first step.

To create the world's most accessible and innovative English language school that changes lives through education that makes a fundamental difference to living standards.

A world in which every person can communicate using a common language removing inequality and creating a level playing field. Courses that stimulate and challenge. Students that learn, excel and grow.

The English Path Promise

At English Path, we're here to help you achieve your Language goals and make your experience unforgettable. When you're with us, we will:

- Check how good your English is and know what you want to learn.
- Place you in the right level, not too easy or hard.
- Experienced teachers plan engaging lessons to boost your confidence.
- Track your progress and have meetings to plan next steps.
- Move you to the next class when you're ready.
- Offer materials for study after class.
- Help you find clean, comfy accommodation if needed.
- Create a relaxed atmosphere for you to make friends.
- Arrange activities to practise the language outside class.
- Friendly staff are always ready to help.
- Listen and take action on your concerns.
- Your learning is our priority.

Learning outcomes timetable

Week 1

	Monday	Tuesday	Wednesday	Thursday	Friday
1:00 pm - 3:30 pm	 Ice-breakers in front of and behind the camera.	 Script development	 Nominating roles	 Developing the film	Shared activity with APAC students
	All participants What: Students play a series of drama and theatre sports games and exercises in front of the camera. Outcomes: Students develop confidence with peers and in front of camera (Single camera attached to TV for instant feedback/novelty - Can also be done with green screen.)	Film group: Script development What: Students develop film ideas and format them into a screenplay. Outcomes: Students will gain an understanding of the process of script development and become more confident with their written English in a different context  Acting group: Ensemble games & script read What: Students will develop collaborative skills by participating in ensemble tasks. They will also begin the process of analysing the script by undertaking a script read. Outcomes: Students develop confidence with their peers and hear what the script sounds like read aloud.	Film group: Film set roles What: Students learn about the different roles available on a film set. They will perform each role to gain an understanding of the role and how it works alongside other roles. Outcomes: Students develop their collaboration and communication skills in a filming context. They develop an understanding of what it's like to be on a working film set.  Acting group: audition workshop and then participants audition for one of the three plays What: Students learn how to audition. Outcomes: Students will develop their acting skills and increase their confidence in front of an audience.	Film group: world development What: Students learn how image and sound can be used in film to enhance the story world. They learn about camera, lighting and sound design. Outcomes: Students develop an understanding of different film elements and how these elements work together to create visual stories.  Acting group: character development What: Students will research and explore different character types and learn to adopt characteristics to develop their role. Outcomes: Students develop characters to show to an audience	

Week 2

	 Creative response	 Creative development and rehearsals	 Final Rehearsals	 Filming	Shared activity with APAC students Film showing
1:00 pm - 3:30 pm	All participants What: Students collaborate in small groups to visually communicate the costuming, props, stance, hair and make-up for one of the characters from the scripts. They present their mood boards as a mini pitch to the group. Outcomes: Students practise their spoken English skills in a creative and collaborative process. They develop an understanding of how screen characters are visually portrayed to help establish character identity.	Film group: Camera fundamentals What: Students practise a variety of camera compositional techniques and framing. Outcomes: Students develop a deeper understanding of cinematography and how the frame can impact how stories are understood.  Acting group: Actor fundamentals including mask work and improvisation What: Students learn the rules of improvisation and how it can help their acting. Working with masks will assist them to use their bodies expressively instead of just their faces to communicate the story. Outcomes: Students become stronger more confident performers.	All participants What: Students learn the basics of designing a film set. They will also take part in rehearsals to explore the text and their characters and learn their lines. Outcomes: Students will become more confident for when they are on a film set and know what to expect during a rehearsal.	All participants What: Students work together as film crew and acting ensemble to create their films. Outcomes: Students will work together to produce a short film. They will have a better understanding of the acting and film industries and how actors and filmmakers work together to create a production.

Our programmes: **Leisure Time**

ACADEMY

EP Academy's Young Learners programme takes extra steps to improve language skills. These additional classes focus on specific areas, enhancing what you learn in the main classes. They feature fun activities and real-life situations to make learning enjoyable and effective. With storytelling, pronunciation practice, and interactive language games, our programme helps students gain confidence and skill, setting them up for a successful future.

SPORTS

EP Sports for Young Learners is a fun programme aimed at keeping you active and involved. Students will take part in different physical activities like football, basketball, tennis, and even a mini-Olympics, where you can compete in various sports events. Besides the enjoyment, our programme teaches important values like teamwork, fair play, and sportsmanship, ensuring that every activity is a memorable experience.

VOLUNTEER

EP Workshops for Young Learners offer students the chance to engage in volunteering activities, enabling you to advance in education while gaining practical experience and skills that will be advantageous for your future careers. Volunteering serves not only to support the community but also to provide individuals with significant experiences that can contribute to your personal and professional development.

WORKSHOPS

EP Workshops for Young Learners offer arts and crafts activities crafted to spark creativity and hands-on learning. Young artists will explore a wide range of creative pursuits, including painting, drawing, pottery, jewellery making, and more. These engaging experiences encourage artistic expression and enabling you to bring your creative ideas to life.

Our Centres

We provide Summer Camps across various locations such as Brisbane, Dubai, Dublin, Madrid, Malta, Paris, Tampa, Toronto and the UK, catering to different age groups.

Our centres: Brisbane
