Course description

This 30-hour Intensive IELTS Preparation Course provides learners with a comprehensive understanding of the full IELTS test format, covering each section, question type, and the strict timing requirements. Students will be trained in effective test-taking strategies to tackle every task with both confidence and efficiency.

By the end of your course, you will have:

Strategic mastery: mastered proven exam strategies to boost your score and perform at your best on test day.

Test readiness & logistics: been fully prepared for the IELTS Academic test with a clear understanding of the format, tasks and expectations, developing your own test day game plan.

Personalized growth: received personalised feedback to quickly improve your language and skills to overcome your final challenges.

Materials & resources: EP created materials / IELTS practice test books.

Certification: By the end of the course, the students will have their English Path Certificate of Completion.

Assessment methods:

Daily: lesson objectives and reflection on achievement of these.

Weekly: Thursday mock IELTS tests with Friday reflection and further development of areas of most difficulty.

End of course: mini presentation outlining personal exam day strategies and game plan.
