

General Language

Course description

The General English, French, German & Spanish programme develops your language skills on the local language and communication skills, giving you the confidence and ability to function in everyday situations. Through a communicative approach, you will practise your listening, speaking, reading and writing skills, build your vocabulary and be able to understand and use more complex grammatical structures. You will have the opportunity to use your new skills during activities with your classmates and explore new places!

Your learning experience

Each day is divided into three engaging lessons designed to build your language skills, cultural awareness, and collaborative activities. Here is a detailed breakdown of the lessons:

Session 1 – Key Language and Skills (Coursebook-Based)

You will focus on developing essential language skills using a graded coursebook tailored to your level.

Session 2 – Language for the Activity Programme (EP Workbook)

This lesson prepares you for the activity programme by exploring cultural themes related to the local campus area and country.

Session 3 – (Project Work)

You will work collaboratively on a project throughout the week that you will present during the final session on the last day of the week.

What you will learn

By the end of the course, you will:

- be able to speak English, French, German and Spanish more confidently and fluently
- have developed your vocabulary knowledge
- have a better understanding of more complex English grammatical structures
- have fine-tuned your pronunciation
- have improved your reading, listening and writing skills.
