Study Tips

Study skills

Study skills are how we can organise and improve our learning. For example, what do we do when we learn a new word? Do we make notes? How? It's very important that we are organised in the way we learn, so that we have much better chance of remembering the language and can use it correctly in the future. We would like to teach you some ways to keep learning and improving your English skills. If you practice these Study Skills, it will help you to continue your English language learning wherever you are.

Using a dictionary

Dictionaries are a useful resource for researching different meanings, collocations, examples of use and standard pronunciation. Use a mono-lingual dictionary and focus on understanding the meaning rather than the translation of individual words. Translating individual words can often lead to misunderstandings. A great big paper mono-lingual dictionary is best but Cambridge, for example, has an advanced learners dictionary at www.dictionary.cambridge.org, which is easy to use and provides examples of word use.

Learning vocabulary

When you record vocabulary, you should also include longer phrases like phrasal verbs (e.g. get away with), multi-word expressions (e.g. How's it going?), idioms (e.g. raining cats and dogs), and collocations (e.g. take a chance). Please see the language bank, irregular verbs and phonemic chart in appendix 1 and 2.

Tracking your progress

As well as placement, weekly and monthly testing, there will be a group study skills session every four weeks where your teacher will give feedback to the class and tips about how to improve in the areas you need help with.

Learning resources

Listening - What to listen to?

Try to listen to as many different types of spoken English as possible, to improve your listening. You can find lots on the internet:

- Music and songs
- TV shows, the news and films
- Speeches and interviews
- Audiobooks

Writing - What to write?

Getting the new language you've learnt on paper can really help to consolidate your learning. Think about the language you've learnt that week and try the following:

- Write an email to a friend/teacher
- Write a diary/journal
- Write a shopping list

Reading - What to read?

There's so much you can read to practice your skills; it doesn't have to be a book. You can read signs, newspapers, or even the back of food packets!

- Find an interesting article online?
- Choose a book you've read in your own language and get reading!

Find an e-book and read it on your daily commute. This site has lots of free ones: gutenberg.org

We have a bright and welcoming Library and Study Centre available for students, which provides a fantastic opportunity to help you get more out of your studies.

Local customs

- Women in the UK are equal to men and should always be treated fairly.
- British people talk to strangers in public areas. This is a great way to practice English, but caution should be taken. You should not give out your address and telephone number or accept inappropriate invitations.
- "Please" and "thank you" are very important words! Always use them if you ask someone to do something for you, or if they help you or give you information.
- The UK is a culturally diverse nation where people of all ethnic backgrounds are treated equally.

Health and safety

- **Medical insurance:** If you are studying in the UK for less than 6 months, you should take out private health insurance before coming to the UK.

If you need to see a doctor, you may go to one of the walk-in centres. To find the walk-in centres nearby you visit: clch.nhs.uk/services/walk-in-centres.
- **If you get sick:** If you get sick while in the UK you should visit a doctor. To do this you will need to register as a temporary patient, which we recommend you do at the start of your stay. You can ask the Student Services team or your host family where the nearest doctor is. If you have a minor illness you can ask staff at a local pharmacist for advice. Remember to bring any relevant insurance or medical documentation with you.
- **Protecting your belongings:** We strongly recommend you take out insurance for your personal belongings, especially cameras, music players, mobile phones and laptops. Personal items cannot be covered by English Path homestay or residence insurance.
- **Prescription medication:** UK pharmacies will issue prescriptions from approved countries; however, we recommend that you bring prescriptions with you to avoid unexpected issues in obtaining medicines and the high costs issued to visitors to the UK. To check if your country is on the approved list (the UK, EEA or Switzerland) visit <https://www.gov.uk/guidance/prescriptions-issued-in-the-eea-and-switzerland-guidance-for-pharmacists#eel-decline> and research about your specific prescription.

International customs agents may ask you questions about your medication upon your departure or arrival, so be sure to pack it carefully. Bring any important medical records (blood type, prescriptions, x-rays) that might be useful for medical care abroad as well as contact information for your health care providers at home.

- **Staying safe at school:** If you or another student has an accident or needs urgent medical attention, please come to the Student Services office where the First Aider is located.
- **Fire safety:** If you discover a fire, press the fire alarm button on the nearest alarm. Leave the building immediately via the fire exit. Make sure you tell a member of EP staff exactly what happened so they can call 999. If you hear the fire alarm, leave the building immediately. Do not run, use the lift or stop to collect your belongings. EP staff will guide you to the fire exit. Go to the assembly point. Follow any instructions given by a member of EP staff and do not go back into the building until you are told to do so by EP staff.
- **Personal safety and looking after valuables:** Birmingham is generally a safe place but as with a lot of big cities, you should always be alert. Some tips are: Be alert when you are walking alone at night. Avoid carrying large amounts of cash. Do not leave your belongings unattended. In the UK, you do not need to always carry your identification card or passport with you. You can keep it at home and carry a picture of your ID on your phone or a photocopy in your bag.

Emergency services

- Call 999 in case of fire, a medical emergency or if you need the police.

Medical costs

- Medical costs in the UK vary depending on where you are from, and the treatment needed. We recommend that you check your cover on the NHS website or at <https://www.nhs.uk/nhs-services/visiting-or-moving-to-england/>

Laws

- No one under the age of 18 in the UK may buy or consume tobacco or alcohol, including beer and wine. If you are under 18, it's against the law for someone to sell you alcohol, to buy or try to buy alcohol, and for an adult to try to buy alcohol for you.
- For drivers, you must drive on the left hand side, observe all speed limits and signs, give way to emergency vehicles, obey all directions given by police, stop at red traffic lights, and must wear a seatbelt.
- Driving under the influence of alcohol is a very serious crime and police make regular random checks.
- You will need international ID to enter bars, clubs or pubs (e.g. Passport, ID card, driving license).
- Buying, selling and using drugs is illegal.

Student code of conduct

- You must attend all classes. If you do not attend your classes your representative will be informed. If you do not then improve your attendance you may not be able to continue your course. 85% attendance is needed to be able to receive a certificate of completion.
- Be on time for all your lessons.
- Always tell English Path if you are going to be absent from school for any reason and tell your host family if you are going away overnight.
- If you commit a criminal offence or have to be severely disciplined you will be sent home. We will also inform the immigration authorities.
- Be respectful, polite and open to different cultures.

Open bank account

- Main banks in the UK are HSBC, Barclays, Natwest, Nationwide and Santander. To open a bank account, the following documents may be needed:
 - Passport or EU ID
 - A valid visa
 - A school letter
- You can get the school letter from Student Services to take to the bank. For online banks, you may open your account online without the letter from us.
