Checklist & other useful information

Here are a few important items that you should bring with you:

- Passport.
- Acceptance letter.
- Accommodation letter.
- Proof of health/medical insurance.
- A bit of cash and credit/debit cards/Apple or Google Pay.
- Weather-appropriate clothing (depending on the season you come to Dublin).
- Adaptor for electrical appliances.
- Prescription medication and medical records.
- Emergency information.

Before you leave your country

Here are some important things you need to know to make your arrival as smooth as possible. Use our checklist to ensure you don't forget anything and are prepared for the exciting times ahead.

Pocket money

Recommend weekly budget: €250. This should cover expenses, local travel and activities. You will need additional money if you want to take weekend trips. Bring €100 with you in cash and a debit or credit card. You will need to check with your financial institution to make sure you will be able to withdraw money from an Irish ATM. Do not bring foreign currency. It is not wise to carry around large amounts of cash.

Clothing

Most students dress casually for classes, but you should bring nice clothes for going out and sportswear for sports and outdoor activities. The climate is changeable and maybe different from your own. The typical temperature is 15 - 20°C in the summer and 0 - 10°C in the winter, although it can drop below freezing. Bring waterproof clothing if you're arriving in the autumn or winter.

Electrical current

Standard voltage in Ireland is 230 volts; remember to bring an adaptor with you or buy one when you arrive. Ireland uses the same sockets as the UK.

When you arrive in Dublin

Arriving at the airport in a foreign country can be overwhelming. To better prepare yourself, make sure that you have read the information below about your arrival and how to get to your accommodation. If you get lost or confused upon arrival, don't be afraid to ask the airport staff for help as they will be happy to give assistance.

EP transfers

Students should arrive at Dublin Airport. We request that you book your flights according to the starting date of your specific program. You must arrive on the Saturday or Sunday prior to your course start date. If you have booked a transfer service, a driver will meet you outside the customs area and drive you to your homestay or residence. Please ensure you arrange and pay the transfer fee in advance.

Transfer service emergency contact details

If you have any flight changes, miss a connecting flight or need help meeting the transfer service, you should call one of the following emergency numbers. Please be prepared to tell them your name, school name (English Path) and location. Students should only accept a transfer from a greeter with the official English Path signage.

Transfer service emergency number:

+353 1 531 0255

Independent transfers

Local customs

- Women in Ireland are equal to men and should always be treated fairly.
- Irish people talk to strangers in public areas. This is a great way to practice English, but caution should be taken. You should not give out your address and telephone number or accept inappropriate invitations.
- "Please" and "thank you" are very important words! Always use them if you ask someone to do something for you, or if they help you or give you information.
- Ireland is a culturally diverse nation where people of all ethnic backgrounds are treated equally.

Health and safety

- **Medical insurance:** All students must have medical insurance for the duration of their stay in Ireland. They can either book medical insurance offered by English Path or they can choose their own. It must be booked with an Irish insurance company.
- **If you get sick:** If you get sick while in Ireland you should visit a doctor. You can ask the Student Services team or your host family where the nearest doctor is. If you have a minor illness, you can ask staff at a local pharmacist for advice. Remember to bring any relevant insurance or medical documentation with you.
- **Protecting your belongings:** We strongly recommend you take out insurance for your personal belongings, especially cameras, music players, mobile phones and laptops. Personal items cannot be covered by English Path homestay or residence insurance.

- **Prescription medication:** Remember to bring enough of your prescribed medication with you as Irish pharmacists will not dispense a foreign prescription. International customs agents may ask you questions about your medication upon your departure or arrival, so be sure to pack it carefully. Bring any important medical records (blood type, prescriptions, x-rays) that might be useful for medical care abroad as well as contact information for your health care providers at home.
- **Staying safe at school:** If you or another student has an accident or needs urgent medical attention, please come to reception where the First Aider is located.

Study tips

Study skills

Study skills are how we can organise and improve our learning. For example, what do we do when we learn a new word? Do we make notes? How? It's very important that we are organised in the way we learn, so that we have much better chance of remembering the language and can use it correctly in the future. We would like to teach you some ways to keep learning and improving your English skills. If you practice these Study Skills, it will help you to continue your English language learning wherever you are.

Using a dictionary

Dictionaries are a useful resource for researching different meanings, collocations, examples of use and standard pronunciation. Use a mono-lingual dictionary and focus on understanding the meaning rather than the translation of individual words. Translating individual words can often lead to misunderstandings. A great big paper mono-lingual dictionary is best but Cambridge, for example, has an advanced learners' dictionary at www.dictionary.cambridge.org, which is easy to use and provides examples of word use.

Learning vocabulary

When you record vocabulary, you should also include longer phrases like phrasal verbs (e.g. get away with), multi-word expressions (e.g. How's it going?), idioms (e.g. raining cats and dogs), and collocations (e.g. take a chance). Please see the language bank, irregular verbs and phonemic chart in our blog.

Tracking your progress

As well as placement, weekly and monthly testing, there will be a group study skills session every four weeks where your teacher will give feedback to the class and tips about how to improve in the areas you need help with.
