EP transfers

Students should arrive at Birmingham Airport. We request that you book your flights according to the starting date of your specific program. You must arrive on the Saturday or Sunday prior to your course start date. If you have booked a transfer service, a driver will meet you outside the customs area and drive you to your homestay or residence. Please ensure you arrange and pay the transfer fee in advance.

Local customs

- Women in the UK are equal to men and should always be treated fairly.
- British people talk to strangers in public areas. This is a great way to practice English, but caution should be taken. You should not give out your address and telephone number or accept inappropriate invitations.
- "Please" and "thank you" are very important words! Always use them if you ask someone to do something for you, or if they help you or give you information.
- The UK is a culturally diverse nation where people of all ethnic backgrounds are treated equally.

Health and safety

- **Medical insurance:** If you are studying in the UK for less than 6 months, you should take out private health insurance before coming to the UK.

If you need to see a doctor, you may go to one of the walk-in centres. To find the walk-in centres nearby you visit: clch.nhs.uk/services/walk-in-centres.

- **If you get sick:** If you get sick while in the UK you should visit a doctor. To do this you will need to register as a temporary patient, which we recommend you do at the start of your stay. You can ask the Student Services team or your host family where the nearest doctor is. If you have a minor illness you can ask staff at a local pharmacist for advice. Remember to bring any relevant insurance or medical documentation with you.
- **Protecting your belongings:** We strongly recommend you take out insurance for your personal belongings, especially cameras, music players, mobile phones and laptops. Personal items cannot be covered by English Path homestay or residence insurance.
- **Prescription medication:** UK pharmacies will issue prescriptions from approved countries; however, we recommend that you bring prescriptions with you to avoid unexpected issues in obtaining medicines and the high costs issued to visitors to the UK. To check if your country is on the approved list (the UK, EEA or Switzerland) visit <https://www.gov.uk/guidance/prescriptions-issued-in-the-eea-and-switzerland-guidance-for-pharmacists#eel-decline> and research about your specific prescription.

International customs agents may ask you questions about your medication upon your departure or arrival, so be sure to pack it carefully. Bring any important medical records (blood type, prescriptions, x-rays) that might be useful for medical care abroad as well as contact information for your health care providers at home.

- **Staying safe at school:** If you or another student has an accident or needs urgent medical attention, please come to the Student Services office where the First Aider is located.
- **Fire safety:** If you discover a fire, press the fire alarm button on the nearest alarm. Leave the building immediately via the fire exit. Make sure you tell a member of EP staff exactly what happened so they can call 999. If you hear the fire alarm, leave the building immediately. Do not run, use the lift or stop to collect your belongings. EP staff will guide you to the fire exit. Go to the assembly point. Follow any instructions given by a member of EP staff and do not go back into the building until you are told to do so by EP staff.
- **Personal safety and looking after valuables:** Birmingham is generally a safe place but as with a lot of big cities, you should always be alert. Some tips are: Be alert when you are walking alone at night. Avoid carrying large amounts of cash. Do not leave your belongings unattended. In the UK, you do not need to always carry your identification card or passport with you. You can keep it at home and carry a picture of your ID on your phone or a photocopy in your bag.

Emergency services

- Call 999 in case of fire, a medical emergency or if you need the police.

- For drivers, you must drive on the left hand side, observe all speed limits and signs, give way to emergency vehicles, obey all directions given by police, stop at red traffic lights, and must wear a seatbelt.
- Driving under the influence of alcohol is a very serious crime and police make regular random checks.
- You will need international ID to enter bars, clubs or pubs (e.g. Passport, ID card, driving license).
- Buying, selling and using drugs is illegal.
